Our Celebrated **Samson Brand** has been before the public for many years, and has made hosts of friends among Contractors and Municipal Corporations until it has become one of the leading Cements on the market to-day, being excelled by none. This year we have decided to place the **Magnet** on the market, and respectfully ask consumers to give it a trial. It will, we think, do its own advertising.

## A GOOD RECORD.

A Gold Miner says:

"Your Compound Side Crank Engine has been running day and night for over three years (equal to seven years regular work), and during that time we have never lost a minute through any defect in the engine, and have never expended a dollar in repairs. It is still running noiselessly and without vibration."
