Manufacturers of

Tinned Cast Steel Wire Heddles

made on Patent Automatic Machines and consequently perfectly uniform in every
respect. The Lightest, Exactest and most Uniform Wire Heddles ever made, not
surpassed by any other Wire Heddles in the market.

Patent "Favorite" Shafts for Weaving

five, combined with other Heddles, the best, most durable and most durable Har-
ness, either made with one or two carrying wires inside the wooden frame. These
shafts have usually been adopted by a great number of weavers, who speak most
favorably of them, as can be seen from many testimonials in the possession of the
makers. For Prices apply to

L. S. WATSON MANUFACTURING CO., Leicester, Mass.
