Any person may compete any number of times. The names of parties who have won prizes will be published in this paper at different times during competition. As a direct investment this will not pay, but my object is to introduce my stock and build up a trade by mail. I employ no agents, but deal directly with customers, and can deliver stock to any part of the United States or Canada, either by mail, express, or freight, at about one-half the price charged by other Nurserymen through agents. Send me a list of wants and I will quote you prices. I make a specialty of sending plants by mail, and guarantee them to arrive in good condition. Address all letters

# EPPS'S COCOA

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.
