

licensed institutions in Canada by granting these requests. There are little or no changes in the curriculum of the College for the ensuing year, it remaining much as last year. Also the Board of Examiners remains the same, with the exception of two, who have been replaced by other members, as they had served a long time on the Board, and the Council seem to desire to adhere to an unwritten law that three years should be the limit of service on the Board of Examiners. This has not been carried out to the letter, but it is the intention to comply with the idea as nearly as possible for the future.

We also find that the number of practitioners in the province now are looked upon to be about 2,200 who are in active practise. This is somewhat of a falling off in the medical population, but is borne out by the canvassers of some of the medical directories who have been travelling through Canada this last summer.

---

It is announced that the dates of the next meeting of the Mississippi Valley Medical Association have been changed from the 10th, 11th, and 12th of September to the 12th, 13th, and 14th of September. This change has been made necessary because the dates first selected conflicted with another large Association meeting at the same place.

The meeting is to be held at the Hotel Victory, Put-in-Bay Island, Lake Erie, O., and the low rate of one cent a mile for the round trip will be in effect for the meeting. Tickets will be on sale as late as September 12th, good returning without extension until September 15th. By depositing tickets with the joint agents at Cleveland, and paying 50 cents, the date can be extended until October 8th. This gives members an opportunity of visiting the Pan-American Exposition at Buffalo, to which very low rates by rail and water will be in effect from Cleveland.

Full information as to rates can be obtained by addressing the Secretary, Dr. Henry E. Tulley, No. 111 West Kentucky Street, Louisville, Ky. Members of the profession are cordially invited to attend this meeting.

Those desiring to read papers should notify the Secretary at an early date.
