

"Have You a Little 'Fairy'
in Your Home?"

MERRY CHRISTMAS to all
the little Fairies in all the
happy house-
holds in this
goodly land.
And Merry
Christmas
to all their
proud parents, from
the makers of

FAIRY SOAP

It is the "little Fairies" of this country, and their parents, who have helped us to make Fairy Soap so popular.

Fairy Soap is always white, clean, pure and sweet—the oval, floating cake fits the hand—and we couldn't make it cost any more unless we hid its goodness with expensive scents.

Include Fairy Soap in your good resolutions for the New Year.
