At an International Medical and Sanitary Embittion recently held in London, Sir James Paget, the eminent physician, declared that he who did not promote his own health fifeited his right to wealth, and was guilty of the "basest want of patriotism."

Mayfield and Adley lived in adjacent farm houses at Strayburn, Miss. One went out to call his cows at the same time that the other was calling his hands to dinner, and confusion resulted. Neither would wait until the other was through yelling, a fight followed, and Adley was killed.

A detective has been killed at a secret meeting of Nihilists at Kieff. He had been sent to the meeting to watch the proceedings. He was placed on a table, and his throat was cut. Similar murders abound in the provinces, whither the Nibilists have transferred their activity from the capital.

TRIED AND TRUE!

How sad to contemplate the fact, that for the sake of gain, would-be philanthropists have introduced patent medicines and drugs (vile compounds) which are advertised to cure all the ills that flesh is heir to. Verily they have their reward. Thousands are annually sent to their graves through the use of such compounds. Baxter's Mandrake Bitters have come before a discerning public, without any loud trumpeting. They have been tried and have not been found wanting. They are daily gaining in public favor, and for dyspepsia, jaundice, and biliousness have no equal.

REST AND COMPORT TO THE SUFFERING.

"BROWN'S HOUSEHOLD PANACEA has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back or Bowels, Sore Throat, Rheumatism, Toothache, Lumbago and any kind of a Pain or Ache. "It will most surely quicken the Blood and Heal, as its acting power is wondertul." "Brown's Household Panacca," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the Stomach, and Pains and Aches of all kinds," and is for sale by all Druggists at 25 cents a bottle.
