

## Special airline. To special places.

Air New Zealand. A very special airline. America's Travel Holiday magazine voted us the "Best Foreign Airline". Not just once, but the last five years in succession!

We're proud of the accolade. Proud to offer an unsurpassed service, to an astonishing variety of very special places.

London. Singapore. Tokyo. Los Angeles. Vancouver. Honolulu. Australia. The South Pacific Islands. And our home — New Zealand.

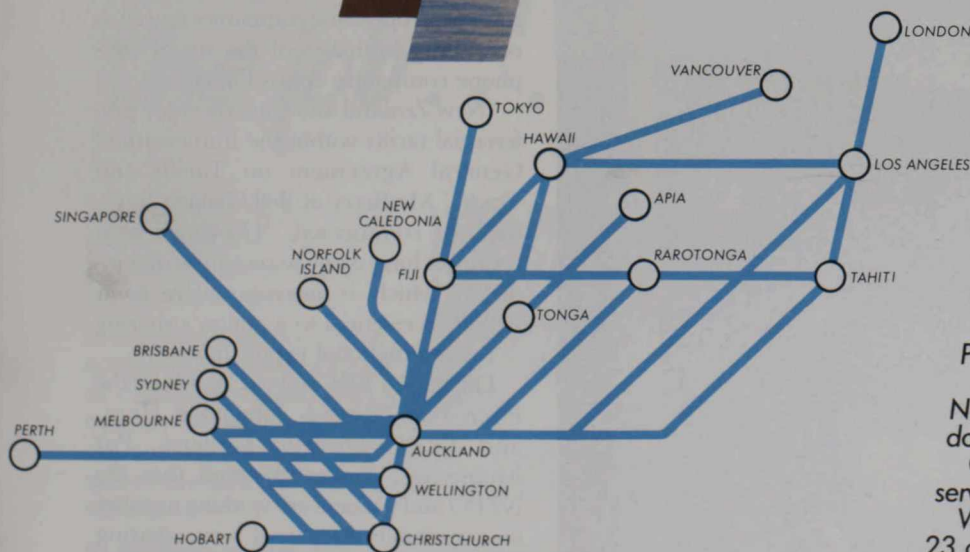

Our 747s fly the world in style. First Class. Pacific Class. Economy.

Big new 767s provide extra links between New Zealand and Australia, plus additional domestic capacity.

On all our routes, we offer a reliable cargo service, at competitive rates.

Within New Zealand, our 737s and F27s fly to 23 cities, towns and resorts. Many, more beautiful than anywhere else in the world.

When only the best is good enough — for you, or your cargo — we take special pride in serving you.
