

have been established in accordance with the provisions of this Article.

7. The aeronautical authorities of each Contracting Party shall exercise their best efforts to ensure that the designated airlines conform to the agreed tariffs filed with the aeronautical authorities of the Contracting Parties as well as to the laws or regulations in this regard.

Article 15

1. As long in advance as practicable, but not less than thirty days, before the introduction of an agreed service or any modification thereof, or within thirty days after receipt of a request from the aeronautical authorities, the designated airline of one Contracting Party shall provide to the aeronautical authorities of the other Contracting Party information regarding the nature of service, time-tables, types of aircraft including the capacity provided on each of the specified routes and any further information as may reasonably be required to satisfy the aeronautical authorities of the other Contracting Party that the requirements of this Agreement are being duly observed.

2. For supplementary flights which the designated airline of one Contracting Party wishes to operate on the agreed services outside the approved time-table it has to request prior permission from the aeronautical authorities of the other Contracting Party.

Article 16

1. The aeronautical authorities of both Contracting Parties shall supply each other, on request, with periodic statistics or other similar information relating to the traffic carried on the agreed services.
