

MAP OF CANADA

- Province
- City
- County
- Indian Reservation
- Indian Agency
- Indian Village
- Indian Settlement
- Indian Agency
- Indian Village
- Indian Settlement

The map shows the outline of Canada and some internal regional or provincial boundaries. The legend in the top left corner lists various geographical features and their corresponding symbols or colors. The text below the map is very faint and appears to be a list of locations or a descriptive text, but it is mostly illegible due to the low contrast of the scan.
