

for rejecting any alternative regulatory requirements and approaches considered; and

- 6.2.4.2.2. the text of any recommended global technical regulation.
- 6.2.5. The Executive Committee shall, using transparent procedures:
- 6.2.5.1. determine whether the recommendations regarding the global technical regulation, and the report are based upon a sufficient and thorough performance of the activities specified in paragraph 6.2.4.1. of this Article. If the Executive Committee determines that the recommendations, report and/or the text of the recommended global technical regulation, if any, are inadequate, it shall return the regulation and report to the Working Party for revision or additional work.
- 6.2.5.2. consider the establishment of a recommended global technical regulation in accordance with the procedures set forth in paragraph 7.2. of Article 7 of Annex B. A consensus vote by the Executive Committee in favour of the regulation shall establish the Regulation in the Global Registry.
- 6.2.6. The global technical regulation shall be considered to be established in the Global Registry on the date of the consensus vote by the Executive Committee in favour of the regulation.
- 6.2.7. The Secretariat shall, upon the establishment of a global technical regulation by the Executive Committee, append copies of all relevant documentation, including the proposal submitted pursuant to paragraph 6.2.1. of this Article and the recommendations and report required by paragraph 6.2.4.2.1. of this Article, to that regulation.
- 6.3. Establishing new global technical regulations in the Global Registry

A Contracting Party may submit a proposal to develop a new global technical regulation concerning elements of performance or design characteristics not addressed by technical regulations in the Compendium of Candidates or UN/ECE Regulations.
