

DISCUSSION DRAFT

(2) Subsection (1) does not apply to products used in health care applications, including bronchial dilators, topical anaesthetics and veterinary powder wound sprays.

(3) Effective January 1, 1993, no person shall import, manufacture, offer for sale or sell the following products:

(a) release agents for molds used in the production of plastic and elastomeric materials;

(b) cleaners and solvents for commercial use on electrical or electronic equipment;

(c) protective sprays for application on high quality photographs;

(d) products used in mining applications where fire hazard is high; and

(e) products necessary for the safe maintenance and operation of aircraft.

4. Effective January 1, 1990, no person shall import, manufacture, offer for sale or sell any food packaging material, including food and beverage containers, made of plastic foam in which chlorofluorocarbon has been used as a foaming agent.

5. Effective January 1, 1990, no person shall import, manufacture, offer for sale or sell for domestic use, fire extinguishers containing bromofluorocarbon or chlorofluorocarbon.

6. Effective January 1, 1990, no person shall import, manufacture, offer for sale or sell chlorofluorocarbon or bromofluorocarbon for use in the manufacture of any product for which the manufacture, importation, offering for sale or sale of the product is prohibited by sections 3, 4 or 5.
