TRENT VALLEY CANAL

Mr. BRETHEN:

- When did construction upon the Trent Valley canal begin?
- How much money has been expended on the canal to date?
- What is the estimated cost of completion?
- What is the total annual expenditure on construction, upkeep and operation, for each of the years 1920, 1921, 1922, 1923 and 1924?
- What was the annual revenue during each of the above years?
- What is the nature of the service the Trent Valley canal is intended to perform?

Hon. Mr. GRAHAM:

- In 1833.
- To March 31, 1925:

Capital..	\$19,322,364 75
Income..	2,324,443 90
Staff (operation)..	1,363,740 78
Repairs (maintenance)..	1,296,629 89
Total..	\$24,307,179 32

3. \$3,164,452.

4. Fiscal years 1920-1924, inclusive:
