

contract is for \$28 million. The minister does not tell us whether he authorized any of these expenditures. I would very much appreciate if he would do this. Is this an indication of the type of control the minister has over these projects, or does he really know what is going on and what he is doing over there?

Some hon. Members: Agreed.

Mr. Blais: On a point of order, Mr. Speaker. This is the first I have heard of a delay in the reply to this particular question.

Mr. Marshall: Mr. Speaker, my notice of motion for the production of papers No. 68 requires a simple yes or no answer. I wonder why it has taken so long, since January 26, to answer No. 68.
