MR. SCOTT (VICTORIA-HALIBURTON)—RECOGNITION OF MEMBERS DURING QUESTION PERIOD

**Mr. W. C. Scott (Victoria-Haliburton):** Mr. Speaker, if this is the proper time, I have a question of privilege. It relates to something you said earlier when making your ruling. That is the problem with Question Period and other Members being totally ignored. I have watched this for some time and have raised this issue before. As a matter of fact, I have spoken to you about it, Mr. Speaker.

I have every confidence in you and would suggest that you throw away the slips that you are given by the House Leader in charge and go on your own merits. I believe we would probably have a more even distribution. That is a suggestion which I have to make to you, Sir.

**Mr. Speaker:** The Chair is always open to suggestions.
