

258 Prince Arthur Street West,
Montreal.

18th November 1914.

Principal Frank D. Adams L.L.D., etc.

Dear Dr Adams,

I have received your letter of yesterday's
date for which I thank you.

I note that you are unable at present
to arrange for a course of lectures on Astrology in the
 McGill curriculum. If later on you feel justified in including
it I shall be very glad to offer my services in this connection.

I remain,

Yours very sincerely,

Duncan Macnaughton.
