Dear Mr. Burpee,

It is kind of you to write so graciously and I can assure you that I much appreciate the honour which the Royal Society desires to do me. If it is at all possible I certainly hope to attend on the 25th of May.

I should be glad to have the programme as early as possible, as I have some other things to do in Ottawa. It will probably be my last visit there.

Yours sincerely,

Lawrence Burpee, Esq.,
President,
