

No music warbles through the grove,
 No vivid colours paint the plain;
 No more with devious steps I rove
 Through verdant paths, now sought in vain.
 Aloud the driving tempest roars,
 Congealed impetuous showers descend;
 Haste, close the window, bar the doors;
 Fate leaves me Stella and a friend.
 In nature's aid let art supply
 With light and heat our little sphere;
 Rouse, rouse the fire, and pile it high,
 Light up a constellation here.
