

NO WASTE OF ENERGY.

ALL THE INGREDIENTS FOCUSSED ON ONE SET OF DISEASES.

IT has long since been the practice to advertise a remedy to cure all the ills to which man is subject. Such claims are as unscientific as they are untrue, and a moment's reflection will convince you this is so. We desire to repeat and impress on you the fact that MILBURN'S RHEUMATIC PILLS are not a "cure-all," but a specific for these diseases of the Rheumatic group,—Rheumatism, Sciatica, Lumbago, Gout and Neuralgia. It is because of their ingredients being potent and concentrated medicines, combined with a view to curing these diseases,—and these diseases alone, that they have met with such wonderful success.

MILBURN'S RHEUMATIC PILLS are 50 cents a box, or 3 boxes for \$1.25, at all drug stores. If your druggist does not keep them, and will not get them for you, don't squander your money on substitutes—write to us direct, enclosing price, and we will send you the Pills by return mail, post paid.
