Special Announcement The Marlborough=Blenbeim,

Atlantic City, N. J., in order to accommodate its increasing regular Fall and Winter patronage, and also those Americans and Canadians who are prevented by the European war from being abroad, will keep both the Marlborough side and the Blenheim side of the house open this winter, instead of closing one side during November and December, as heretofore.

This will enable the supplying of a private bathroom with hot and cold salt and fresh water with every room, and for these bathrooms no extra charge will be made during the Fall and Winter Season.

The house occupies two blocks of ocean front, and its heated parlor solariums overlooking the Boardwalk and the sunny south ocean exposure are most attractive. Exquisite music every evening throughout the year. White Service in both the ale Carte and the American plan dining rooms. Atlantic City

with its invigorating, bright Fall climate, is particularly attractive over week-ends at this season. Golf, roller chairs, the atree, and countless recreations and amusements.
