

OUR NEW MONTREAL BRANCH

which is located in commodious quarters at 419 St. James Street, Montreal, is ready to receive orders for our lines and is equipped with large and carefully selected stocks from which prompt deliveries may be made.

We are leaders in the manufacture of heavy transmission machinery, including clutches, quill attachments, wood pulleys, shafting, etc., and will be pleased to furnish estimates on any order for everything from the smallest wood pulley to transmission installations for a complete plant.
