## IT PAYS

**THE GALT BUSINESS COLLEGE** has during the past several years interested itself in preparing young people for successful careers in the business world. No stone is left unturned for improving the courses and thus giving its students the advantage of the most modern methods of conducting business.

Its graduates are to be found occupying positions of trust and responsibility in mercantile, manufacturing, municipal, and government offices. Our students come to us from every walk in life, from the home of the merchant, the professional man, the farmer, the mechanic, the laborer, the manufacturer, etc. More than **Two Hundred and Forty** families have each sent us more than one student, and some as many as five each. Why do they thus continue to send their sons and their daughters to us? **'S-A-T-I-S-F-I-E-D'** spells out the answer. We can do as much for you if you will give us the opportunity.

Many of our students travel to and from school each day over the railways at greatly reduced rates. The C. P. R. and the C. N. R. carry their quota of students; also the Grand River Ry. and the Lake Erie and Northern; while the C. P. R. passenger train from Guelph Junction and intermediate points reaches Galt at 9:00 o'clock, the students returning on the Hamilton-Galt Storage Car which leaves Galt at 4:10 in the afternoon.

**Fall Term will begin on Tuesday, Sept. 1st.**
