mentioned order was confirmed: And whereas, in pursuance of the acts of Parliament in that behalf made and provided, his said late Majesty, by a certain order in Council bearing date the 21st day of July, 1823, and by the said order in Council bearing date the 27th day of July, 1826, was pleased to order that there should be charged on all vessels of the said United States which should enter any of the ports of His Majesty's possessions in the West Indies or America, with articles of the growth, produce, or manufacture of the said States, certain duties of tonnage and of customs therein particularly specified: And whereas it hath been made to appear to His Majesty in Council that the restrictions heretofore imposed by the laws of the United States aforesaid upon British vessels navigating between the said States and His Majesty's possessions in the West Indies and America have been repealed, and that the discriminating duties of tonnage and of customs heretofore imposed by the laws of the said United States upon British vessels and their cargoes, entering the ports of the said States from His Majesty's said possessions, have also been repealed; and that the ports of the United States are now open to British vessels and their cargoes coming from His Majesty's possessions aforesaid. His Majesty doth, therefore, with the advice of his Privy Council, and in pursuance and exercise of the powers so vested in him as aforesaid, by the said act so passed in the 6th year of the reign of his said late Majesty, or by any other act or acts of Parliament, declare that the said recited orders in Council of the 21st day of July, 1823, and of the 27th day of July, 1826, and the said order in Council of the 16th day of July, 1827, (so far as the such last mentioned order relates to the said United States,) shall be, and the same are hereby, respectively revoked: And His Majesty doth further, by the advice aforesaid, and in pursuance of the powers aforesaid, declare that the ships of and belonging to the United States of America may import from the United States aforesaid, into the British possessions abroad, goods the produce of those States, and may export goods from the British possessions abroad, to be carried to any foreign country whatever.

And the Right Honorable the Lords Commissioners of His Majesty's Treasury, and the Right Honorable Sir George Murray, one of His Majesty's principal Secretaries of State, are to give the necessary directions herein, as to them may respectively appertain.
