

Comments on "The Bath Comedy"

It is as blithe as a May day when the heart is young. . . . — *Philadelphia Telegraph*.

The Bath Comedy

by
Agnes & Egerton Castle

The fantasy is of the daintiest, the humor is of the sunniest. . . . A beautiful book, beautifully written. — *New York Tribune*.

A right merry tale. . . . The narrative is breathless in its interest, and yet so witty and polished that perusal becomes a double pleasure. — *Detroit Free-Press*.

As incident follows upon incident, each touched with the very spirit of comedy, the delight of the reader grows apace, and he feels that he would gladly remain in such company for an indefinite period. — *Chicago Dial*.

A sparkling, dancing story . . . like one of Watteau's pictures — gay, artificial, yet delightful. — *Buffalo Express*.

The author of "The School for Scandal" might have written it and his reputation not have suffered seriously thereby. — *Chicago Times-Herald*.
