Ireland Receives Quietly Order Pronouncing Organizations Illegal.

ULSTERITES FOR UNION

Will Demand at Orange Celebrations Repeal of the Home Rule Act.

Dublin, July 10 .- The County Tipperary and Ireland have received quietly the proclamation of the government Monday declaring all Sinn Fein organizations and Irish volunteers in County Tipperary unlawful associations. The proclamation places all local activities in Tipperary under control of the military and prevents all persons from enterting the district without a per-nit, thus restricting

The league, declared the president, was born of the conviction of practical statesmen that an international concert had become a world necessity to end the old order and guarantee civilization. He asserted that in such a concert the world looked confidently to America for leadership, and added that while the treaty might not be designed to many of the questions around which senate debate has centred the president dent declaring he could not construe details of the treaty in a short address. He did not directly mention the Monroe Doctrine, Shantung or the obligations assumed under article ten of the league covenant, nor did he allude to the proposal to write reservations into the ratification. He expressed a hope that he would be given opportunity to discuss details later, either with the whole senate or the foreign relations committee.
