LIVERPOOL WHEAT FIRMER,

But Chicago Futures Were Unsteady Yesterday.

Ohio Crop Report and Elevator Statistics From Northwest Were Bear Factors, While Good Cash and Export Demand Were Bull Arguments—Notes and Gossip.

Thursday Evening, Oct. 6.

Failure of British markets to respond to yesterday's Chicago advance caused the latter market to show weakness early today. Other factors were the Ohio crop report, showing an immense yield, and statistics to the effect that Northwest elevator stocks increased three and a half million bushels during September. The decline reached ½c per bushel at the lowest point of the day, but good cash buying and a good export demand later caused a rally, so that at the close the December option reflected a gain of ⅜c over yesterday's final figures. This month's delivery and the May option closed ¼c to ⅛c respectively lower than yesterday.

Liverpool futures to-day opened above yesterday's final figures and closed ⅜d per cental higher for the day.

Paris wheat closed steady to 20 centimes higher than yesterday, with flour steady to 15 centimes lower. Antwerp, wheat unchanged.

Chicago corn was off ¼c to ⅜c per bushel to-day. Liverpool maize closed steady to ½d per cental higher than yesterday.

Total clearances to-day: Wheat and flour equal to 384,000 bushels, corn 200,000 bushels.

Exports at New York to-day: Flour, 664 barrels and 5310 sacks; wheat, 159,607 bush.

Car receipts of grain at Chicago to-day: Wheat 250, corn 668, oats 341. Estimated for Friday: Wheat 215, corn 810, oats 400.

Cincinnati Price Current says: Continuance of conditions highly favorable to sown wheat. Yield of corn fully equalling or exceeding expectations in Ohio and Indiana, but disappointing westward. Fair marketing movement. Hog packing, 390,000, against 210,000 same week last year.

Ohio State crop report for October makes total wheat yield 42,268,000 bushels, an average of 15.82 bushels per acre. Total yield oats, 31,211,000 bushels. Corn promises 95 per cent. of a full average crop. Conditions for seeding the 1899 crop have been excellent.

LIVE STOCK MARKETS.

Quite a Break in Prices in London, Liverpool and Glasgow.

Montreal, Oct. 6.—(Special to The World.)—The hot weather and recent receipts of homefed, unfinished stock, caused not only a cessation in the recent steady advances of stock in the British markets, but quite a break, London cables quoting cattle off ½c on States steers to 12c; ¼c on Canadian to 11c; Argentine unchanged at 11c, with the tendency still downward. Sheep very weak, and down 1c to 10c for Canadian and 10½c for Argentine. The same conditions prevail in Liverpool. Canadian steers were quoted at 9¾c to 10¾c; sheep 9½c. The Glasgow market was also weaker, but cattle are still making a little money. The slump in prices is due to the droughty, burnt-up pasture, causing feeders to hasten their cattle into the market.

LOCAL LIVE STOCK MARKET.

Receipts of live stock at the Western Cattle Market were large to-day—69 loads—composed of 1000 cattle, 1150 sheep, 35 calves and about 3000 hogs.

Few outside buyers on the market, and consequently trade was slow. Buyers and sellers in many instances were wide apart, waiting for Friday's market.

Exporters—There were several loads of this class, some of which were of good quality, but more were of the medium or light class. Messrs. Joseph Gould and T. Coughlin were buying at prices ranging from $4.40 to $4.50 for the best and $4 to $4.20 for medium, or light shippers.

Bulls—Export bulls of heavy weight and choice quality, sold at $3.75 to $4; medium export bulls, $3.40 to $3.60.

Loads of good butchers' and exporters mixed sold at $3.75 to $4.

Butchers—Choice picked lots of butcher cattle, equal in quality to best exporters, but not in weight, sold at $4 to $4.10; loads of good, $3.60 to $3.75; medium, $3.25 to $3.40; common, $3 to $3.10; inferior, $2.75 to $3 per cwt.

Milch Cows—This class was poorly represented, only 8 being offered, and these were of medium quality. Prices ranged from $25 to $43 each.

Calves—Prices unchanged at $3 to $6, or $5 per cwt. for the best veals.

Feeders—Choice steers, weighing from 950 to 1100 lbs. each, sold at $3.60 to $3.75; choice bulls for the distilleries, weighing from 1000 to 1200 lbs., $2.60 to $3, with some weighing about 1400, at $3.25 per cwt.

Stockers—The general run of stock steers sold at $3 to $3.25, and a few choice yearling calves at $3.30; light stock bulls sold at $2 to $2.50 per cwt.

Sheep—Prices a little easier; ewes sold at $3.50 to $3.60, and bucks at $2.75 per cwt. The sheep that are coming forward are not good enough to bring the prices that have been paid lately, nor are they just what is wanted for export.

Lambs—Spring lambs sold at $2.75 to $3.50 each, or $3.75 to $4 per cwt.

Hogs—There was a heavy run of hogs, causing a weaker feeling in the market. Prices remained unchanged at $4.50 for best bacon hogs, weighing 160 to 220 lbs. each, unfed and unwatered, off cars; light fats, $4 to $4.12½; heavy fats, $4.25 per cwt. If deliveries continue large, the probability is that hogs will go still lower.

J. H. Brown sold to Alex Levack 6 heifers, 1000 lbs. each, of extra choice quality, off cars, at $4.25 per cwt.

A. W. Maybee bought 30 feeding bulls, 1000 to 1400 lbs. each, at $3 to $3.25; 10 feeding steers, 1060 lbs. each, at $3.75, and 4 oxen, 1600 lbs. each, at $3 per cwt.

S. Levack bought 300 lambs at $4 to $4.05 per cwt. These were choice picked lots.

Montreal Live Stock.

Montreal, Oct. 6.—There were about 900 head of butchers' cattle, 1200 sheep and lambs, and 50 calves offered for sale at the East End Abattoir to-day. The butchers were present in full force, and there was a good demand for the best cattle, but all other kinds were rather dull of sale, at declining prices. The best cattle sold at about 4½c per lb., but none of them were very choice. Pretty good stock sold at from 3¼c to 4c per lb; common dry cows and thrifty young stock sold at from 2¼c to 3c, and the common beasts at about 2c per lb., and some of them would scarcely bring over 2c per lb. A considerable number of the common and inferior cattle will have to be held over for another market.

Most of the cattle on the market to-day were grassers, and some of them lean at that. These sold at from 2½c to 3½c per lb.; good veals sold at from 4c to 5c per lb. Shippers pay from 3¼c to 3½c per lb. for good large sheep; lambs sell at from 3¾c to nearly 4¼c per lb.

Fat hogs sell at from 4¼c to 4½c per lb. for hogs just off the cars.

East Buffalo Cattle Market.

East Buffalo, N.Y., Oct. 6.—Cattle—The offerings were light, only one load of stockers, which sold about at Monday's prices. The feeling was fairly steady. Calves were in fair supply, good demand and steady. Choice to extra were quotable at $6.75 to $7.25, good to choice $6 to $6.50.

Sheep and Lambs—Offerings 17 loads; good demand and stronger. Choice to extra lambs were quotable at $5.50 to $5.75, good to choice $5 to $5.50, common to fair $4.50 to $5. Sheep, choice to extra ewes $4.50 to $4.75, choice to extra mixed $4.25 to $4.50, common to fair $3 to $3.50. The offerings were pretty well cleaned up and the close was steady.

Hogs—The market was again slow, with 28 loads on sale. Medium and heavy opened $3.90 to $3.95, yorkers $3.90, pigs $3.50 to $3.55, roughs $3.30 to $3.40, hogs $2.75 to $3, grassers $3.75 to $3.80. The trade became quite dull and irregular, and on the close it took very good yorkers to bring $3.85, and medium $3.90. Not all the offerings were sold on the close, which was weak.

Chicago Gossip.

Henry A. King & Co., 12 King-street east, received the following despatch to-day from Chicago:

Wheat—Opened fairly steady, but soon showed a slight loss, due mainly to the cables, which hardly showed sufficient response to our advance yesterday. In addition, most of the statistical news was bearish. Elevator stocks in Northwest reported had increased 3,500,000 bushels during September, and that this had been overlooked in the Bradstreet estimate, while the Ohio state report indicated a yield of 42,000,000 bushels, exceeding the Government figures fully 6,000,000 bushels. Nevertheless the cash demand in Ohio seems excellent. Our private advices received to-day report millers buying all the desirable grades at 2¼c over the Baltimore price. This same demand was apparent nearly everywhere, and during the latter part of the session was the main factor. The decline at New York, which had been somewhat of a depressing feature early was all recovered, on good foreign buying, both the United Kingdom and Continent being well represented. Sixty loads were taken. The lighter Northwest receipts—864 cars—caused a better tone at Minneapolis; cash in Chicago market advanced about ½c. While primary receipts were a good deal larger than last year, 1,434,000 bushels, to-day, they average about 500,000 bushels. The local market closes fairly strong, at nearly top prices of the day.

Corn—Has been firm all day, and much of yesterday's bull enthusiasm has been lost. Cables were not as strong as anticipated, and this induced considerable liquidation among traders, who bought on the advance. Receipts were quite large, and elevator people reported offerings in some sections a little freer. Cash business here has been rather light, but quite a fair export enquiry at the seaboard—60 loads engaged. Clearances small.

Oats—Have been without special feature, with prices a shade lower.

Provisions—Have been strong to-day. Higher prices, due principally to the demand for cash lard; 5500 tierces taken for export; 5c premium over Dec. bid for choice. There is nothing particularly new in the market. Shipments continue to run 5,000,000 pounds and over daily. Cudahy and Armour both bought lard to-day.

Cheese Markets.

Brockville, Ont. Oct. 6.—At the cheese board to-day 53 factories offered 1343 white and 2720 colored; 8⅞c offered for both. No sales.

Kingston, Ont., Oct. 6.—At the cheese board to-day 930 colored and 270 white were boarded, September make. Sales, 350 at 9c, 8⅞c offered for 400.

C. P. R. and N. P. Common Decline About a Point Each—War Eagle Also Makes a Break — Toronto, Winnipeg and Montreal Bank Clearings — Bank of England Statement—No Change in Rate — Notes and Gossip.

Thursday Evening, Oct. 6.

Canadian securities were inactive and inclined to run lower to-day. Canadian Pacifics which went off a point in London and declined to about the same extent on the Toronto and Montreal Boards. The talk of a freight rate war is a factor, but a rally in the stock, based on the earnings, is looked for. War Eagle sold off 4½ points, but assurance stocks held steady. Street railway issues were heavy on the Montreal Board:

Wall-street opened heavy in sympathy with London and the list was feverish and irregular all day. Northern Pacifics were weak, the common stock losing 1⅜ points for the day. Other losses were 3⅜ in Tobacco and 1½ in New York Gas. Metropolitan Traction and B. R. T. were strong. The rest of the list at the close showed only fractional differences from yesterday's final figures.

American rails in London closed ¼ to ¾ lower than yesterday. C. P. R. fell off a full point.

Consols closed ¼ lower in London.

The sugar trade war is on in earnest. The Trust announces a further cut of 1/16c to-day on all grades of refined, except cut loaf and crushed, which are unchanged. Grades Nos. 7, 8, 9 and 10 are 1-16c lower, making granulated 5c per pound, less 3 16c, and 2 per cent. for trade discount. This makes the net price 4.71c per pound.
