### CANADIANS EFFECT ANOTHER ADVANCE TOWARD LENS CITY. BOMBING FOE FROM CRATERS

[By Stuart Lyon, Special Correspondent Canadian Press.]

CANADIAN HEADQUARTERS IN FRANCE, via London, Aug. 6.—Following up the successful advance on Saturday afternoon in the region of Cite-du-Moulin, another advance was made last night, which carried our outposts up the main line of the enemy's defence on the railway embankment to the west of Lens. The men of two Canadian battalions in a dashing attack captured a crater, occupying a crossing road to the east of Cite-du-Moulin, and a crater to the north, on the Lens-Lievin road, which passes through Cite-du-Moulin.

For several days the enemy had maintained strong posts in these craters, whence harassing rifle grenade

#### FIFTY-SEVEN RINKS **BOWL AT CHATHAM**

CHATHAM, Aug. 6. - Ideal weather favored the annual Scotch doubles of the Chatham Lawn Bowling Club today. Fifty-six rinks from well-known bowling clubs of the western peninsula played a number of interesting games. Foreign Secretary Zimmer-Valuable prizes are being offered by the local club to the winners of the two events. Shortly after the arrival of the visiting rinks this morning an interesting presentation of the Daily News trophy was made to Webb of Windsor, the winner of the keenly-contested prize at the June tourney:

# ON BRITISH POSITION

Fire at Hollebeke.

German Food and Water Sup- No Marked Concessions To ply Cut Off by Guns of Haig.

British forces operating against the important coal city of Lens (Canadian front) made further slight advances west and southwest of their objective, according to the British official communication issued this evening. In addition an attempt by the Germans to raid British positions north of Arleux was repulsed.

German forces last night again attacked the new British lines in the gian front, but they were repulsed.

A German attack on the British
position at Westhoek was also unsuccessful.

The test of the second control of the s

The text of the statement reads:

German Attacks Beaten.

"We advanced our lines slightly to day southwest and west of Lens.
"Yesterday after several days of inactivity, due to unfavorable weather, our airplanes again were able to carry out successful bombing raids and other work. In air fighting five German airplanes were downed, of which one was forced to land behind our lines. Three others were driven down out of control. One of our machines is missing."

Enemy Columns Dispersed.

Reuter's correspondent at British headquarters wires:

"Yesterday afternoon a big movement of troops behind their lines was plainly visible and our artillery duly attended to these columns of route. The weather continues fine and dry and the interest of the shakeup is the consideration shown the Catholic Centre party, whose demand for representation in the imperial and Prussian to the first rate yield is the consideration shown the Catholic Centre party, whose demand for representation in the imperial and Prussian to the first rate yield is the consideration shown the Catholic Centre party, whose demand for representation in the imperial and Prussian to the first rate yield is the consideration shown the Catholic Centre party, whose demand for representation in the imperial and Prussian the first rate yield is the consideration in the imperial and Prussian the first rate yield is the consideration in the imperial and Prussian the first rate yield is the consideration in the imperial and Prussian the first rate yield is the consideration in the imperial and Prussian the first rate yield is the consideration in the imperial and Prussian the first rate yield is the consideration in the imperial and Prussian the first rate yield is the consideration in the imperial and Prussian the first rate yield is the consideration in the imperial and Prussian the first rate yield is the consideration in the imperial and Prussian the first rate yield is the consideration in the imperial and Prussian the first rate yield is the consideration in the imperial and Prussian the first rate of showing a decline

## FOE AGAIN DEFEATED NEW HUN MINISTERS SAYS GERMAN PRESS

Fade Away Before Withering Von Kuehlmann and Helferich Keen To Direct Policy.

BEATEN AT WESTHOEK RADICALS DISSATISFIED

Mexico City, Aug. 7 .- When news LONDON, Aug. 6 .- Again today the of the retirement of Dr. Alfred F. Zimmermann, the German foreign secretary, was received last night it caused general feeling among prominent Mexicans that his downfall was due largely to the failure of his plan to have Herr Heinrich von Eckhardt, German minister to Mexico, attempt embroil Mexico and the United States and use Mexico as a go-betacked the new British lines in the neighborhood of Hollebeke on the Beltween in an effort to alienate Japan from the Allies.

"Early last night the enemy at-tacked in the neighborhood of Holle-beke. He was driven off before reachshakeup of caomets in the versatile Dr. Helfferich detions at Westhoek was equally unsuccessful.

"A German raiding party was repulsed during the night east of Epehy.
"An enemy attempt to raid our trenches early this morning north of Arleux was caught by our rifle and Arleux was caught by our rifle and farming and diven off with severe casualties.

"Bakeup of caomets in the service of the service in world politics after the war, and it is rumored that the new chancellor, unacquainted as he is with international affairs desires to retain the ex bank director (Dr. Helfferich) as his special adviser and mouthpiece, particularly for this field.

"We advanced our lines slightly to-"

The heaviness of industrials appearance of cooler weather, but prices are unchanged notwithstanding. Live stock is stationary, and in good demand, with the exception of live hogs, which advanced 50c over Saturday's quotation of \$15 per cwt.

Dairy produce is brisk and the prices of butter and eggs remain high, with piece, particularly for this field.

Helfferich Unpopular.

Helfferich Unpopular.

The avowed reasons for the avowed reasons for the same class. Equipments, motors, little chance of showing a decline for some time to come. Butter sells readily at 42c per pound retail, while eggs hering 42c and 40c per dozen at retail features. Moderate rallies occurred before many's new course in world politics after the war, and it is rumored that the stock is stationary, and in good demand, with the exception of live hogs, which advanced 50c over Saturday's quotation of \$15 per cwt.

Dairy produce is brisk and the prices of the same class. Equipments, motors, little chance of showing a decline for some time to come. Butter sells readily at 42c per pound retail, while eggs hering 42c and 40c per dozen at retail features.

HAVE QUIT OFFICE

THE BATTLE OF HOLLEBEKE.
BRITISH HEADQUARTERS IN
FRANCE AND BELGIUM, Aug. 6.—
(By the Associated Press).—Hollebeke, a Belgian town southeast of Ypres, which was the scene of heavy fighting to have done very well as a result of the continuous period of the anti-Jesuit and Polish expropriation laws, also part of the Centrist program, that party is considered to have done very well as a result of Lettuce, per dozen.

which was the scene of heavy fighting early yesterday morning, was again the object of a German counter-attack last night, but the enemy was repulsed by the British fire before even the wire entanglements in front of the trenches had been reached.

After the failure yesterday of the morning assault on Hollebeke and a post just north of the canal the Teutons continued to bombard the positions heavily throughout the day, leaving little doubt that they intended to have another try to retake this section of the newly-acquired British lines.

Met by Withering Fire.

When the German counter-attack last night, but the enemy darked concession to parliamentaryism in the new cabinets and at the failure to consult the Reichstag on the appointments, newspapers of the opposite camp are aggrieved at the shelving of Dr. Beseler, Prussian minister of justice, Count Loebell, Prussian minister of interior, and Baron von Schorlemer, Prussian minister of agriculture, and other stand-patters on Prussian franchise restand-patters on Prussian franchise restand-patters on Prussian franchise restand-patters on Prussian franchise restand a withering storm of bullets from machine guns and rifles. ### GAS MASK PARADES FOR THE SAMMIES AT FRENCH CAMPS

American Soldiers Trained To Combat Deadliest Terror.

GIVEN SEVERE TESTS

Subjected to Gas Mixtures Many Times More Powerful Than That of Huns.

American Training Camp in France, Aug. 7.—By the Associated Press.— The issuance of French gas masks to the American soldiers has brough them a little nearer to the realization of their proximity to real warfare. The nen are looking forward to the gas experiments with the greatest possible interest as giving a touch of adventure to their training. When the so-called 'gashouse' is completed, the men will be put through a mixture of a deadly vapor several times stronger than will ever be encountered upon the field of battle. Some German prisoners have battle. Some German prisoners have claimed that in their training they have endured periods of five to ten mi NEW BOOKS ADDED

> President Approves of Unanimous Decision Made by the Assembly.

PEKING, Thursday, Aug. 2. -(Delayed) .- Acting President Feng Kwo Chang today approved the unanimous decision reached at a special meeting of the Chinese Cabinet to declare war on Germany and Austria-Hungary.

The ministers of the Entente powers probably will meet at the Chinese foreign office on Saturday to discus China's declaration of war, which is ex-

pected to be issued next week. ONLY 4,548 MEN NEEDED FOR U.S. REGULAR ARMY

WASHINGTON, Aug. 6.—Less than 5,000 men are needed to complete the quota of all the states for the regular army. Recruits accepted Saturday and Sunday numbered 1,400.

The total since April 1 is 179,350, leaving 4,548 to be enlisted.

The war strength of the army is 283,000 men.
