Rose, auctioneer. James E. Beer, administrator.

Cooper's Auctions EX-KAISER'S LIFE WOULD NOT BE WORTH A NICKEL IN GERMANY, IS REPORT

LONDON, Nov. 22.—From a special investigation in Western Germany the correspondent of the Daily Mail at The Hague has ascertained that there is considerable hostility against the former emperor and his eldest son. The correspondent says that after William Hohenzollern had entered Holland a thousand German soldiers arrived at the frontier and demanded that they be allowed to pursue and kill him. They were turned back by the Dutch frontier guards.

The correspondent does not believe that the former emperor could reach

Wm. Nickel Exposes Plot to Bring About Union Government's End.

Will NOT PARTICIPATE

Does Not Wish to Lend His Approval to Such a Movement.

Kingston, Nov. 22.—W. F. Nickel, R.C., M.P., Unionist member for Kingston, has arranged for November 28 at Toronto in order to enable the Liberal-Conservative gard. Arr Dinner Committee has arranged for November 28 at Toronto in order to enable the Liberal-Conservative gard. Warrand and the minister of mines to the constituency would seem to indicate this.

Will appreciate the courtesy of being remembered and rejoice with you that the great war is virtually over, yet I do not concur in your constituency will say that Dr. Case, the Government in the first political conditions that now exist in regard to the not concur in your conditions that now exist in regard to the maintenance in power of a government representing all shades of political opinion, and it is pnot to be disputed for the present in my judgment it will be most unfortunate if the political conditions that now exist in regard to the maintenance in power of the great and experience demonstrates that this country could only be governed, if government representing all shades of political opinion, and it is pnot to be disputed for the present in my judgment it will be most unfortunate if the political conditions that now exist in regard to the maintenance in power of a government representing all shades of political opinion, and it is not to be disputed for the present in my judgment and experience demonstrates that this country could only be governed, if government representing all shades of political opinion, and it is not to be disputed.

**ORNE PROVENTIAL TO A Caulific was a per usual the such the first the product of the first war the first war the first war the first war the product of the first war the produ

country could only be governed, if governed satisfactorily, by a government representing all shades of political opinion, and it is not to be disputed that the problems of reconstruction, including in this term, demobilization, will be so complex and far-reaching that it will be absolutely essential that as far as possible we forget past party. that it will be absolutely essential that as far as possible we forget past party differences and unite disinterestedly for the purpose of advancing the best interests of the people at large. Any attempt to organize as distinct from the Unionist party, the Conservative party must necessarily irritate those Liberals who so loyally supported the Union Government last year, and those Union Government last year, and those members in the House who now support it, and raise in their minds suspicions as to the honesty of purpose of that branch of the Unionist party, formerly known as Liberal-Conservatives.

"When the time comes that the When the time comes that the Unionist party can no longer continue then it will be time enough to consider what steps should be taken for organizing into groups those who may hold different points of view."

WALL STREET REVIEW. WALL STREET REVIEW.

New York, Nov. 23.—The stock market was comparatively dull, but somewhat unsettled this week, professional traders as well as the financial community evidently facing the forthcoming period of reconstruction with less optimism.

This was indicated not only in the general recession of prices, but by

ported.

Money was also a deterrent to any wide demand for securities, time funds remaining extremely scarce, while brokers' loans continued under the severe restrictions imposed by the local money committee, acting in conjunction with the Federal Reserve Board and the stock exchange.

Liquidation was observed in motors, metals and several other speculative issues, the movement gaining momentum after passage of the Maxwell Motors' first preferred dividend and rumors of price-cutting in the copper trade.

at the opening of today's stock market. Active issues, including high-grade rails, reacted 1 to 2 points. Selling again centred in metals and motors, secondary coppers reflecting uncertain conditions in that industry. Pressure against Studebaker was resumed, and distilling issues denoted the latest aspects of federal prohibition legislation. United States Steel held steady, and Mexican Petroleum was the only leader to show actual strength. The noteworthy feature of the bond market was the heavy selling of fourth 4½'s, which sold at the new low quotation of 97.82 for the first time since their listing on the exchange. NEW YORK STOCK EXCHANGE.

rumors of price-cutting in the copper trade.

Steels and equipments were moderately steady at times, but they yielded towards the close of the week. Rails showed some resistance, especially the standard issues, but shippings were subjected to erratic fluctuations, following the announcement that the federal authorities had called a halt in the Mercantile Marine deal to dispose of Mercantile Marine deal to dispose of the Scatter of P. Scott of P. Scott of

Mercantile Marine deal to dispose of its British tonnage.

WALL STREET.

New York, Nov. 23—Wall Street, 10:10 a.m.—Further selling of leaders, especially ralls, equipments and coppers, was noted at the heavy opening of today's stock market. Canadian Pacific and Mexican Petroleum were among the few prominent issues to register slight gains.

10:30 a.m.—Prices were mainly lower in an English hospital, that he was coming home immediately.

Heads Million Dollar Business A few years ago this young man was a store clerk working day in and day out behind

To-day this same man directs the production of a great business and he did it all with-

out pull. Early in life he started a savings account, it grew and grew. He claims that the greater part of his success is due to that fact because when

the opportunity came he had some money saved up to help him through.

All that he is, all that he has done, has been accomplished solely by systematically adding to his savings account, getting the thrift habit and

One Dollar deposited to-day in our Savings Department will start you on the road to success. We pay 31/2% Compound Interest. A. M. SMART, JOHN McCLARY, President.

Assurance Company of Canada

HEAD OFFICE, LONDON, ONT.

The Future Uncertain!

No man can tell how much he may be worth or what may be the condition of his affairs when the end comes. His fine property may have slipped away, his gilt-edged stocks and bonds may have lost their values, his real estate may depreciate or become completely non-productive. Insurance will furnish a certain, sure and immediately available competency.

Rates and full information cheerfully furnished upon request. Policies issued to suit every requirement. Write or phone. Agency Departments: 112-317 Dominion Savings Building.

Phones 5520-1004-1006. EDWARD CRONYN & CO.
