#### Note and Comment

Nos. 1 and 3 of The World's Triple Baseball Contest close to-morrow. All coupons to be counted must be in this office by noon Thursday regardless of the time they are marked or mailed. This rule will apply in case a postponement is necessary. On account of No. 2 the coupons will run until next Sunday, guesses to close the next day.

That the competition is even more popular than a year ago is evidenced by the thousands of coupons received daily. The official paid attendance is variously estimated from \$782 to \$175, the larger figure by a fair lady of Petarboro.

in Philadelphia on May 19 is bound to be the talk of the sporting world. O'Brien is leaving no stone unturned in his training methods and says that he will put up an even faster fight than he did in the bout with Stanley Ketchel. It will be recalled that O'Brien easily outpointed Ketchel in the first six rounds of that affair, the Quaker showing wonderful speed in attack and defence. For that reason there is much interest in O'Brien's showing with the big negro at the same distance. If O'Brien outpoints Johnson ring experts say that there will be increased interest in the Johnson-Ketchel fight at Colma in October, Johnson (will weigh probably 40 pounds more than O'Brien and will stand several inches

Galt Horse Show.

In Galt they are making preparations for the annual Open-Air Horse Show, which will be held on June 3, 4 and 5.

The show this year will be bigger and better than ever. It has been constantly growing since its inception, until now it is known as the best open-air show in America.

is known as the best open-air show in America.

A special feature this year will be the musical ride by the Royal Canadian Dragoons of Toronto. The ride will be given each afternoon, and in the evening an illuminated ride will be put on.

All the owners of stables in Ontario will be represented, and from a horseman's point of view the show will excel any previous effort. There will be excursions and special rates on all lines of railway during the show.

Matinee To-day.

The Dufferin Driving Club are giving their usual weekly matinee this afternoon at Dufferin Park, when four races, including a run, will be on the card.

## Leafs Had on Their Batting Togs Goode's Double Wins the Game

Toronto Arrive Home This Afternoon-Buffalo, Rochester and Montreal Win.

PROVIDENCE, May 4 .- (Special.) -To-That the competition is even more popular than a year ago is evidenced by the thousands of coupons received daily. The official paid attendence is variously estimated from 3782 to 8375, the larger figure by a fair lady of Peterboro.

Mullen, Mahling, Phyle, Goode, Kelley and Weidy are the favorites for scoring the first three runs.

According to the latest guesses Toronto's percentage after the double header on Victoria Day will range anywhere between 381 and 619.

As predicted yesterday the Maple Leafs closed the first road tour by a victory and come home for the opening to morrow with an even break as to wins and losses.

Even if the pitchers fall to hold the enemy down to a run or two, the Kelleyites yesterday showed champion swatting form, and the last victory was due to the big stick.

It was a great day for the visiting teams and should Buffalo win again to-day they'll all return home for the opening without the need of an excuse.

It is highly probable that the announcement will be made to-day that the Quebec Federation as an alleged governing body will cease to exist at the special meeting of the board of governors of the C.A.A.U. to-night in the King Edward Hotel. The suspension of the Garrison A.A. by Precident Merrick is another important matter up for settlement.

A New York despatch says: The roming six round bout between Jack V. Phason and Philadelphia on May 19 is bound to be the talk of the sporting world. Indian, may be put in the flags again. Charlie Querrie will be home to-day, and some new developments may be expected in the Stewart case. Stewart, however, has not only signed with Toronton

but has received some advance money. One prominent lacrosse man in Toronto yesterday state dthat he would not be surprised it the Stewart trouble would be taken to the N.L.U. for settlement.

Jack Heal, the fleet centre fielder of the Young Torontos of two seasons ago-nas signed again this season. His pre-sence on the field will add great strength to the Blue and White.

Among the new players signed by the roung rorontos is ... turphy, the husky de-ience man of the Dominion Bank hockey

Bill Whale has again signed with the Young Torontos, and will prove a stum-ling block to many an aspiring home player in the C.L.A. this year.

Neil Got the Decision.

BALTIMORE, Ma., May 4.—In the eleventh round of what was billed as a fifteen round fight before the Eureka Athletic Club to-night, Frankle Neil of California, was given the decision, Young Britt being disqualified for wrestling by Referee Ulman. Britt threw Neil and was warned by the referee, but almost immediately attempted to repeat the offence. Altho Neil was in manifestly poor condition and let many opportunities slip, he did most of the fighting, and had the better of the argument, tho Britt drew first blood in the opening round.
