Toronto Dentals Are Ready for Allan Cup Final

DENTALS IN FINAL ONE GOAL ON ROUND

Are Defeated by One Goal in St. Patricks... Second Game With Saskatoon.

Winnipeg, March 14.-Outplayed, or scored, but not outgamed, the Toron Dentals reached the finals of the Allan Dentals reached the finals of the Allan Cup series when they managed to hold the Saskatoon Pilgrims to a 3-to-2 victory in the deciding contest here tonight, and thereby won the round, 8 to 7, after one of the most heartbreaking finishes ever seen in Winnipeg. Taking the lead of 3 to 1, and thereby tying the count for the series, the Pilgrims looked like sure winners shortly after the second period had started, as the westerners had bombarded the Toronto stronghold for three-quarters of the distance, and it was a pretty confident bunch of hockey players that wore Saskatoon sweaters.

pretty confident bunch of hockey players that wore Saskatoon sweaters.

Box Was the Winner.

But Toronto refused to be beaten; they broke up attack after attack, and altho butplayed the easterners fought gamely, and finally Willard Box broke away, dodged a field of skaters in centre ice, was pushed to the side, and when nearing the defence completely blocked, lifted the puck into the net on shot that was rather bewildering owing to the angle it came at the goalkeeper, but looked like a very soft score.

There only remained four and a half minutes to play and there was little chance to beat back the Toronto defence which had covered itself with glory with a most wonderful display of checking and blocking for sixty minutes of the same.

Played on ice that was much faster than on Monday, the ft slowed up towards the finish, the local fans were given a much better exhibition of hockey than in the first conflict. The Saskatoon stalwarts looked like a new aggregation altogether. They checked back like fiends, completely demoralizing the fast combination that featured the Toronto attack in the opening contest. riends, completely demoralizing the fast combination that featured the Toronto attack in the opening contest.

Led by Johnny Klaison, the speady and tricky rover, who gave a marvelous exhibition of puck-carrying and back-checking, the Saskatoon team had the Torontos defending their citadel for 15 minutes out of the first 20 minutes of play, but Torontos had the finish and were only one goal down, the score being 2 to 1 for the westerners at the finish of the session, all of the goals being scored in the first six minutes of the period. The Pilgrims tried another early in the second frame and tied up the count for the round.

It was a battle royal for the whaing goal, and tho the westerners had much the better of the play, the breaks were against them when Willard Box scored the winning goal.

The contest was exceptionally fast in spots, with the Saskatoon players being very much in the limelight, and hard checking was the rule thruout. The Pilgrims lost because of their inability to solve a stonewall defence, which never wavered for a minute, when seeded to

wavered for a minute, when some quick work by Jimmy Stewart and Box gave the Torontos the two goals needed to hold their lead gained on Monday night. The O.H.A. offside rule was in force and it did not appear to make the play any faster, partly because Referee Bawif, who the very impartial, was too strict in his rulings and often seemed to forget that a man was onside as soon 's the player passing the puck had skated up with him.

the player passing the putch had up with him.

Stewart in goal, the not being tested with any terrific drives, was on the job all the time and saved many shots that took quick action. Laffamme and Sheldon were unbeatable, while the rest of the team checked back so hard that they got little chance to shine in the attack, the every time they broke away they looked more dangerous than their opponents, owing to boring in on the nets more skillfully and ending with a more twell-directed shot than the Saskatoon players exhibited. It was a tough loss for Saskatoon, but a brilliant victory for the easterners.

KELLY CAPTURED CUP.

Hastings, March 14.—The competition for the silver cup donated by Rev. C. S. Bretherton three years ago was the great event of the curling season here. Mr. C. P. Fisher and his rink have held the cup since it was donated. The two teams left to play the final game for the cup were skipped by C. R. Fowlds and L. E. Kelly. At the close of 12 ends the teams were tled with eight each, and on the test end Mr. Kelly won the cup by one shot.

Two Pitchers for Leafs

President McCaffery of the Toronto Ball Club announced yesterday a three-cornered deal whereby the Leafs secure two major league pitchers and lose Frank Truesdale. Ben Tipple and another twirler are to come to Toronto from the New York Americans, who get an outfielder from Baltimore, the last-named club's reward in the triangle being Truesdale.

MONTREAL LADIES PLAY ROUGH HOCKEY

Throw Sticks at Rivals and Spectators—Dispute in Dressing Room.

Montreal. March 14.—There, was the greatest excitement at the return ladies' hockey match between the Westerns and the Malsonneuve teams, two bitter rivals, at the Mount Royal Rink last evening.

There were rather unconventional doings, two lady players indulging in an animated dispute near the dressing-room doors, amongst other things, while another lady slapped the face of one of the managers, and still another hurled a defi at one of the spectators whose remarks did not please her, to come on the ice. Male partisans of the two clubs also had little set-tos between periods, and thruout the match the atmosphere was charged with electricity.

SECOND VICTORY

4 St. Patricks Defeat T. R. and A. A. in Fast Game-Second of City Series.

St. Patricks moved another step closer to the city championship when they downed the T.R. & A.A. qutfit 7 to 4 in the second game of the senior city series at the Arena last night. It was a fast, clean game of hockey

at the Arena last night.

It was a fast, clean game of hockey and warranted a larger attendance. The six-man style of hockey has caught on. It is much better to watch, and that bunching in centre ice is absent.

Last night's contest was a really interesting battle. The Saints had the best of it in the opening round, but after that it was a tidy argument.

T.R. & A.A. were without a regular defence and this bothered them. Hodgen, the Dental player, put up a sterling game. He had a lot of speed and checked hard. Hicks, McLean and Watson were bears for work.

J. Adams was again a bright shining light for the winners. Brother Bill rushed well and Sullivan and Schumacher turned in good performances. Mullit, a Beaches League recruit, is a worker. He will be a valuable man for next year. St. Patricks led 4 to 1 at the end of the first period, and at the end of forty minutes it stood 6 to 2.

Wilkinson, the Aura Lee goaler, had a session for the losers. Watson and Brown were the other Aura Lee players with T.R. & A.A.

In the second period Bud McLean scored a goal for St. Patricks. He knocked the rebound from J. Adams' shot into the net.

Hill played brilliant hockey in the final period and should have secured more goals.

The teams:

St. Patricks (7)—Goal, Connors; defence, W. Adams and Brown; centre, Guain; right, J. Adams; left, Sullivan.

T.R. & A.A. (4)—Goal, Crooks; defence, McLean and Hiks, centre, Smith; right, Hodgen; left, Watson.

Substitutes—St. Patricks, Mullit, Schumacker; T.R. & A.A., Wilkinson, Brown and Hill.
