## REPORT

*To the Directors of*

GENTLEMEN,—I report for the year

In the first place the gracious care of the establishment, and the almost uninterrupted we have been favoured

At no former period enjoyed so much from the present year. I am largely indebted, and

SA

made on the premises have greatly enhanced the establishment. I congratulate the Directors on the valuable improvement having been repeated in the annual statements of the Medical Officer, and the delay for want of funds in a better position of its founders, and the confidence and support

during the year has been falling off was almost comparatively large. The whole number against forty six last year, 21 boys and 13 girls pupils.
