The members of No. 8 Ambulance train paraded to St. Mary's church yesterday morning for divine worship.

Rev. Canon Bedell of Philadelphia, preached yesterday morning in St. Paul's church.

Rev. Dr. Franklin preached his farewell sermon in St. Philip's A. M. E. church last evening. The new parson, Rev. Mr. Pitkney, will arrive in the city this week.

The police were summoned to Bay Shore on Saturday evening as the result of shrieks of "murder" heard from a box car in which some foreign railway workers lodge. When they arrived they found everything quiet and the row was explained as the result of indulgence in liquor.

Three girls, Geraldine Ready, Edna Driscoll and Madeline Harney, ranging in age from twelve to fourteen years, swam across the harbor on Saturday at noon, accomplishing the distance from No. 6 dock to the wharf at the foot of Duke street, against adverse tide conditions, in twenty-four minutes.

Commissioner Fisher has suggested that the simplest method of disposing of the city's refuse would be a collection system operated by the city. If ashes and garbage were kept separate it would be possible to use the ashes for filling in waste land and the other material could be towed to sea and dumped, thus avoiding the need for an expensive incinerator.

GOVERNMENT FEARS DEFEAT. Chatham World-Opinion members of the legislature are demanding that by-elections be held at once to fill the vacancies in the house. It is claimed that, under the Election Act, the government must accede to such a demand. This should be the law if it is not. It is outrageous for any government to keep a constituency from being fully represented. The fear of defeat causes the government to refrain from ordering elections to fill the vacant seats. It should do the right thing, whether fearful or not, by ordering elections for all the vacancies.
