### LOCAL NEWS

**BAKERS FINED**  
Representatives of three bakeries were  
in court this morning to answer to  
charges of having bread for sale which  
was not up to the weight required by  
law, namely one and one half pounds. A  
plea of not guilty was entered in each  
case. Detective Biddiscombe testified  
The magistrate said that all were liable  
to a fine of \$25. Fines of \$5 were im-  
posed in each case.

**POLICE COURT**  
The case against Florence Coughlan,  
charged with cutting and wounding, was  
resumed in the police court this morning.  
E. C. Weyman appeared for the defence.  
Detective Biddiscombe and Policeman  
Coughlan gave evidence concerning the  
arrest. They said that the woman had  
admitted hitting the complainant but  
said she had been provoked by his calling  
her a bad name. The case was post-  
poned until tomorrow morning.

**THE LATE E. J. HOLT**  
The late Edward Joseph Holt, who  
died in Charlottetown, Ont., on September 15,  
was buried there in the Catholic ceme-  
tery on September 17. He was a son  
of the late James and Annie Holt of  
West St. John and survived by three  
brothers: Bart of this city; William of  
St. Louis, and Matthew of Willow Ranch,  
Cal. The late Mr. Holt was a machinist  
by trade and served his apprenticeship  
with Allan Bros. of West St. John, some  
years ago.

**NEW WESTFIELD CHURCH.**  
A meeting of the sub-committee of  
the Westfield Methodist church was  
held this morning in the office of E. R.  
Machum with Rev. R. G. Fulton in the  
chair. The meeting was held in con-  
nection with the raising of funds for  
the building of the church to replace  
that lost in the disastrous Westfield fire  
on August 6, 1921. It was reported that  
the foundation would be completed this  
week and that work would immediately  
be begun on the building itself. An ap-  
pel is being made to all the circuits of  
the N. B. and P. E. I. conference asking  
for \$5,000 and to date only a few small  
subscriptions have come in. The money  
is urgently needed, being of far greater  
value just now than later. The pastor  
of the church is Rev. Robert Smart.

**AT THE DEPOT.**  
David Love and Thomas McAndrews,  
hackmen, were charged this morning  
with soliciting passengers inside the rail  
at the Union depot on the morning of  
September 16. Both pleaded not guilty.  
C. N. R. Policeman Barton said that  
after the arrival of the early Montreal  
train, Love had gone inside the rail and  
taken hold of a lady traveler's suit case.  
He had been twenty feet inside the rail.  
The same thing had been true of Mc-  
Andrews, he said. Love said he had been  
going to post a letter when he saw a  
woman and went over to her. He saw  
that it was the other man, McAndrews,  
who was wanted and had released his  
hold. McAndrews said the woman  
had beckoned to him and he had gone  
to her to take her to her destination.  
Fines of \$5 were imposed in each case.

### SCHOOL BOY DEAD OF INJURIES IN AN AUTO ACCIDENT

Frank Barnes, ten-year-old son of  
Allan E. Barnes, bookbinder with Barnes  
& Co., Ltd., received such injuries in a  
motor car accident in Sydney street at  
noon today that he died a few minutes  
after being admitted to the General Pub-  
lic Hospital. He stepped off a sloven at  
the corner of Mecklenburg and Sydney  
streets and right into the path of a sedan  
driven by Mrs. A. C. Skelton, which was  
turning from Mecklenburg into Sydney  
street. The car passed over the lad's  
head. He was lifted into the automobile  
and taken with all speed to the hospital,  
where it was found that he was beyond  
medical aid.

In the car with Mrs. Skelton was her  
daughter, Katherine. According to wit-  
nesses they were moving at a moderate  
rate of speed, when the lad suddenly  
jumped in the path of the moving car.  
Before it could be turned aside or stop-  
ped it had struck him. Word was sent  
to Mr. Barnes at his home, 109 St.  
James street, and he and Mrs. Barnes  
hastened to the hospital and arrived  
there just before their boy died. An ex-  
amination at the hospital showed that  
death was due to fracture of the skull.  
Besides his parents, three brothers,  
three brothers, Donald, Douglas and Al-  
lan, survive. Mrs. Barnes was before her  
marriage Miss Agnes Coughlan. Frank  
was a pupil in St. Malachi's school and  
was a bright lad who was very popular  
with his school mates. There will be  
universal regret over the distressing ac-  
cident.

### SOME DAYS YET BEFORE WORD RE- COAL RECEIVED

Geo. S. Cushing, provincial fuel ad-  
ministrator, announces that Ottawa gives  
out the following telegram received from  
Mr. Spencer, fuel administrator, Wash-  
ington:—  
"Organization for distribution of an-  
thraxite coal is being developed, and it  
will be several days before advice can  
be given. Prices have not yet been de-  
termined."

From the office of the Provincial Fuel  
Administrator the following was issued  
today:—  
"I have had Welsh anthracite coal, nut  
size, tested in a small and in a No. 14  
self-feeder stove, it gave entire satisfac-  
tion to both parties. No. 14 can use a  
size larger than nut."  
The gentleman using No. 14 has used  
Scotch and American anthracite; if he  
could get this coal would not go back  
to American anthracite.  
"I have had it used in kitchen stove  
with great success."  
"The public should not attempt to get a  
winter supply, but should partially  
supply their needs. This policy will also  
aid the dealers by making room for fur-  
ther importations."  
It is anticipated that the cargo of  
Stovoids now on the way will answer  
the same purpose."

### ST. PETERS END BASEBALL SEASON

The St. Stephen baseball club has dis-  
banded for the season and will be un-  
able to meet St. Peter's here on next Sat-  
urday, was the word received this morn-  
ing by William J. McMahon, manager of  
St. Peter's Park. They were to have  
played here last Saturday, but owing to  
inclement weather the game was can-  
celled. Mr. McMahon announced that  
as a result of this the local baseball sea-  
son would be terminated and efforts set  
forth to organize a football team. A  
practice for the latter had been called  
for tomorrow evening at 6 o'clock.

### FORMER BANKER ENDS HIS LIFE

Mentally Deranged, Says  
York County Coroner

Frank Shute Dead on Edge  
of Field Near Home Where  
Had Been Ill Following an  
Accident.

(Special to Times.)  
Fredericton, N. B., Sept. 19.—Frank  
Shute of this city, who had been suffer-  
ing from melancholia for some time,  
ended his life by shooting at the farm  
of Mrs. John F. Morgan, Nasonworth,  
on Monday night. The tragedy has  
caused great sympathy for the bereaved  
family and relatives. He is survived by  
his wife, formerly Miss Florence W.  
Whitehead of this city, daughter of the  
late W. T. Whitehead, also by three  
sons, the eldest thirteen years old—  
Arthur, Turner and Donald, all residing  
in Fredericton. There are also two  
brothers, Dr. James F. Shute, practising  
dentistry in Vancouver, and Arthur  
Shute, jeweler of this city. Mr. Shute  
was in his forty-sixth year.

Mr. Shute, while manager of the  
Royal Bank of Canada branch in Yar-  
mouth, N. S., about two years ago, had  
one of his hips broken in a fall from a  
wharf. He never recovered from the  
effects of the accident and had been  
under treatment at various times. Dur-  
ing the last summer he was in Mauge-  
ville, but for a time was at Guelph, Ont.,  
for treatment. He returned to Frede-  
ricton about July 1, and a short time  
ago went to the Morgan residence at  
Nasonworth, it being thought that rural  
conditions would be better for him.

On Monday about dusk he was play-  
ing solitaire, and Mrs. Morgan and her  
son believing that his condition was as  
usual, left home for a short time. On  
their return they found that he had left  
the house. They noticed that he had  
taken a high powered sporting rifle and  
so they felt alarm and telephoned his  
brother in this city. About 100 yards  
from the house on the edge of a field his  
body was found. He had taken two  
cartridges with him from the house. His  
body was lying across the rifle. The  
cartridge which had been discharged  
caused instant death, the wound being  
through the forehead.

Dr. D. W. Ross, coroner, decided that  
the circumstances pointed to death by  
his own hand, while mentally deranged,  
and he decided to hold an inquest. The  
funeral will take place on Wednesday  
afternoon.

Mr. Shute was a son of the late S. F.  
Shute, and was born in this city. He  
was educated here, and attended the U.  
N. B. for one year. He then entered the  
service of the Royal Bank of Canada,  
with which he remained until incapaci-  
tated by the accident at Yarmouth, two  
years ago. He spent seven years in  
Cuba, and also was manager in Ontario  
and at Yarmouth.

### LT. COL. POWELL GOES TO HALIFAX

Popular and Efficient Officer  
Transferred to Military Dis-  
trict No. 6.

Lieut.-Col. A. H. H. Powell, assistant  
adjutant and quartermaster general for  
this military district, No. 7, has received  
notice of his transfer to Military Dis-  
trict No. 6, with headquarters at Halifax,  
to be put into effect as soon as possible.  
Due to the absence of Colonel John  
Houlston, D.S.O., general officer com-  
manding the district, it has been impos-  
sible for Colonel Powell to arrange for  
leaving yet and he will carry on his  
duties here for a short time. Lieut.-  
Col. H. C. Sparling, D.S.O., will take  
over Colonel Powell's duties when he  
leaves until another officer can be ap-  
pointed. Colonel Sparling is general  
staff officer of the district and will carry  
on in both positions until a new man is  
appointed.

Colonel Powell has been second in  
command in St. John for some time, hav-  
ing been associated with Major-General  
A. H. MacDonnell and Colonel A. T.  
Ogilvie when they were commanders at  
St. John. He was the children's tribute to their busi-  
ness factor but the gathering was by no  
means confined to youngsters. It is  
estimated that more than 1,000 people  
were present when a huge bonfire was  
lighted in his honor. After an expression  
of appreciation was made, Mr. O'Connell  
furnished a little treat for the youngsters.  
Mr. O'Connell arrived in the city this  
morning and will leave in a few days for  
Bangor where he will give his last pic-  
nic of the season in the eastern section of  
the country. Leaving there he will go  
to the southern states where other pic-  
nics are scheduled. Preceding to the  
Pacific coast he will visit his brothers  
in Seattle and from there return to his  
home in Camaguey, Cuba.

Mr. O'Connell said that he would be  
back next year to give a picnic here, if  
one was not arranged by others before  
his arrival. Or if the local people de-  
sired it he would co-operate with them  
in their work for the orphans. Mr.  
O'Connell has now fifty places on his  
picnic list, twenty-eight of which have  
been permanently provided for.

### SAY FAREWELL TO J. D. O'CONNELL

spending the summer in New Brunswick.  
It was the children's tribute to their busi-

were present when a huge bonfire was  
lighted in his honor. After an expression
