

LEVIATHAN TO BE FASTEST SHIP

Liner Reconstructed to Its Former Grandeur—Kaiser's Suite of Eight Rooms Restored.

Newport News, Va., March 6.—The Leviathan, second largest ship afloat and the largest flying the American flag, which has been reconstructed at a cost of \$8,500,000 will sail from the shipyard of the Newport News Shipbuilding & Drydock Company here about May 1 as the fastest, safest and most luxurious steamer in the world. This statement was made by Rear Admiral W. S. Benson, retired, shipping board commissioner, following an official inspection of the vessel arranged for officials of the Emergency Fleet Corporation special board and the press.

"The Leviathan was originally designed as a 25 knot boat," Admiral Benson said. "We have improved on that speed. I confidently expect she will beat anything afloat. Whether we will attempt to utilize her speed in attempting to break the record now held by the Mauretania has not been decided upon. At any rate, the Leviathan will outspeed the Majestic."

2,900 Men Did Work

In the past months 2,900 artisans have completed one of the most difficult jobs in the history of American shipbuilding, namely, of restoring with American made materials and manufactures a steamer built in a country which had no competition at the time building in many lines of production.

Making of some of the difficulties had to be surmounted. Honor Ferguson, president of the shipyard, said:

"Our job on the interior of the Leviathan in most instances was to replace or match up what had been destroyed or lost. Hand carved pillars, fixtures of unusual design, stained glass of rare quality, carved woodwork, the product of German skill and manufacture, had to be procured.

"Every mirror in the steamer, and there are thousands of them, has been scratched. We had to canvass hundreds of factories to get the kind of glass that had been used originally.

"The biggest job was the rebuilding of the hull. The hull was damaged by carrying 10,000 tons of oil in the bottom of the ship to make provisions for carrying 10,000 tons of oil and 5,000 tons of water, since the Leviathan has been converted to an oil burner. The total gross tonnage of the vessel is now 70,000, as compared with the Majestic's 66,000."

Will Carry 3,889 Passengers.

Accommodations have been provided for 3,889 passengers, divided into four classes, and a crew of 1,100. The second class state rooms and social rooms, in the opinion of several shipping men, are comparable with the first class accommodations on the coastwise vessels.

The so-called "cabin" of the Leviathan, on a deck used by many American officers of high rank, during the war, has been restored to its pristine grandeur. Stained glass windows commemorating German naval battles have been removed, windows with state seals taken their place.

Mr. Ferguson told of discovering evidence that Germany had built the vessel with an idea of war time requirements. He said that in tearing down the stage in the ballroom, which had been irreparably ruined by spiked shoes, he found a drainage for an operating room, with other indications that it had been planned to use the ballroom as a hospital in war time.

Features of the Leviathan, which was comment, were the swimming pool, entirely reconstructed in green tiling, with Russian and Turkish bath rooms along the gallery; a dog house on the top deck for 60 pets, a flower shop larger than the average Fifth Avenue establishment and a Ritz-Carlton restaurant, which was said to have cost more than any of the similar restaurants on other liners.

\$100,000 WORTH OF LIQUOR TAKEN IN RUM RAID

Agents Fight Pitted Battle and Capture Three After Chase Across Roots

New York, March 7.—Government prohibition agents are stirred by reports of the activities of rum runners of Atlantic Highlands. A couple of months ago it was charged on all sides that the New Jersey coast town was the receiving center for Bahama liquor, and agents from New Jersey and New York hastened thither. Now the smugglers, it is said, are at it again, and assertions were made that the worst market in that vicinity was in such a super-saturated condition that the bottled contraband was bringing in importers only \$40 a case.

Coinciding with the arrival here of Major Maurice G. Marklin to succeed Gus J. Simon as acting chief enforcement officer for the State of New York, Agents Charles Gutman, Peter Reager and Harry Drescher staged one of the biggest raids made here in some time. After a pitched battle and a chase over the roof tops near a garage at 110 West Fifty-sixth street, the three agents seized \$100,000 worth of whiskey and gin and captured three prisoners.

Four other prisoners were captured.

CORNIS

ACIDS IN STOMACH CAUSE INDIGESTION

Create Gas, Sourness and Pain How to Treat.

Medical authorities state that nearly nine tenths of the cases of stomach trouble, indigestion, sourness, burning, gas, bloating, nausea, etc., are due to an excess of hydrochloric acid in the stomach and not as some believe to a lack of digestive juices. The delicate stomach lining is irritated, digestion is delayed and food scours, causing the disagreeable symptoms which every stomach sufferer knows so well.

Artificial digestants are not needed in such cases and may do real harm. Try laying aside all digestive aids and instead get from any drugstore a few ounces of Bismarck Magnesia and take a teaspoonful in a quarter glass of water right after eating. This sweetens the stomach, prevents the formation of excess acid and end there is no sourness, gas or pain. Bismarck Magnesia (in powder or tablet form—never liquid or pills) is harmless to the stomach, inexpensive to take and is the most efficient form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.

MOTHER! MOVE CHILD'S BOWELS

"California Fig Syrup" is Child's Best Laxative

Hurry, mother! Even a sick child loves the "fruity" taste of "California Fig Syrup" and it never fails to open the bowels. A teaspoonful today may prevent a sick child tomorrow. If constipated, bilious, feverish, fretful, has cold, colic, or if stomach is sour, tongue coated, breath bad, remember a good cleansing of the little bowels is often all that is necessary.

Ask your druggist for genuine "California Fig Syrup." It never cramps or overacts. Full directions are printed on each bottle. Say "California" or you may get an imitation fig syrup.

Have Kidneys EXAMINED BY YOUR DOCTOR

Take Salts to Wash Kidneys if Back Pains You or Bladder Bothers.

Flush your kidneys by drinking a quart of water each day, also take salts occasionally, says a noted authority, who tells us that too much rich food, or too much acid, which almost paralyze the kidneys in their efforts to expel it from the blood. They become sluggish and weaken, then you may suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, and you seek relief two or three times during the night.

To help neutralize these irritating acids, to help cleanse the kidneys and flush out the body's urinous waste, get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days, and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate sluggish kidneys; also to neutralize the acids in the system so they no longer irritate, thus often relieving bladder weakness.

Jad Salts is inexpensive; cannot injure and makes a delightful effervescent lithia-water. By all means have your physician examine your kidneys at least twice a year.

USE SULPHUR TO HEAL YOUR SKIN

Broken Out Skin and Itching Eczema Helped Over Night

For unsightly skin eruptions, rash or blotches on face, neck, or body, you do not have to wait for relief from torture or embarrassment, declares a noted skin specialist. Apply a little Menthio-Sulphur and improvement shows next day.

Because of its germ destroying properties, nothing has ever been found to take the place of this sulphur preparation. The moment you apply it healing begins. Only those who have had unsightly skin troubles can know the delight this Menthio-Sulphur brings. Even itching, itching eczema is dried right up.

Get a small jar of Rowles Menthio-Sulphur from any good druggist and use it like cold cream.

BILL OFFERED TO JAIL TUT-ANKH-AMEN FAKERS

Albany, March 7.—Hearing that the makers of faked antiquities are rushing work on "relics" from the tomb of Tut-ankh-amen, Senator Dick has introduced a bill providing prison terms and fines for the fakers.

The bill was introduced at the request of the State Museum. It makes it a misdemeanor to make archaeological forgeries. Dr. A. C. Parker, head of the department of geology and archaeology of the museum, said that these fakes were sometimes so skillfully wrought as to defy scientists.

"Some of these forgeries have changed many a generation's concept of history," said Dr. Parker.

COMB SAGE TEA INTO GRAY HAIR

Darkens Beautifully and Restores Its Natural Color and Lustre At Once.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn grey, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use preparation improved by the addition of other ingredients, a large bottle, at little cost, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.

8 UNCONSCIOUS DRINKING "SMOKE"

Will Get Choice of Jail or Taking Pledge at Holy Name Mission.

New York, March 6.—Police Captain Peter Tighe, Sergeant Charles Humbert and a squad from the East Fifth street station picked up in their precinct eight men unconscious from drinking "smoke," a mixture of alcohol and water. They will be arraigned in Essex Market Court this morning and may choose as did eighteen other men similarly rounded up on Wednesday between going to jail or to the Holy Name Mission before Father Rafter to pledge themselves to let "smoke" alone. Of the first group four chose the Mission.

A large quantity of alcohol in containers labelled "olive oil" was seized yesterday by Prohibition Agents Arthur Van Tassel and Thomas F. Channon as it was unloaded from a truck on the New York Central pier at Atlantic Place and North River. They arrested Joseph Gonco, 40, of 240 North Fifth street, Brooklyn.

The carload of liquor, shipped as hay from Canada to Hastings-on-Hudson where it was seized on Wednesday, was transferred to the Army Base in South Brooklyn yesterday by Prohibition Agents who estimated that more than 4,000 quarts of champagne and Dawson Scotch were concealed in the hay.

Gus Wester, 42, a salesman of 300 East Eighty-sixth street, made such a mystery of a suitcase he carried from hallway to hallway in Harlem where he was seen in whispered conversation with tenants of a building, that he directed suspicion toward himself and was arrested. It was charged that Wester had a gallon of whiskey and was peddling it at 20 cents a glass. Anthony Cassese, convicted bootlegger, was taken yesterday from the Raymond street jail, Brooklyn, on his way to the Federal penitentiary at Atlanta to serve a sentence of two years.

Healthy Mother Merry Children Happy Home

TO maintain a happy home the housewife must keep in good health. Her duties are many and various, and it seems as if every other member of the family depended very much on her.

"Where is my hat?" cries the boy.

"What did you do with my coat?" asks the daughter.

"I can't find any handkerchiefs," yells the husband.

The housewife is usually the advisor and general manager of the family.

Lydia E. Pinkham's Vegetable Compound helps women to maintain a happy home by keeping them in good health.

Winnipeg, Manitoba.—"I cannot speak too highly of what Lydia E. Pinkham's Vegetable Compound has done for me. I was a nervous wreck and I just had to force myself to do my work. Even the sound of my own children playing made me feel as if I must scream if they did not get away from me. I could not even speak right to my husband. The doctor said that he could do nothing for me, owing to my condition. My husband's grandmother advised me to take Lydia E. Pinkham's Vegetable Compound. I started it right away, and everyone noticed what a different woman I was in a short time, and able to do my work."—Mrs. EMILY DAVIS, 721 McGee Street, Winnipeg, Manitoba.

Cumberland Bay, N.B.—"I was troubled with weak feelings, headache all the time, a cough, fainting spells and pains in my back and sides. I could not do a single bit of work and had to be helped out to the hammock, and I had to be carried up and down stairs. After other medicines had failed, a friend advised me to take Lydia E. Pinkham's Vegetable Compound as she said it was excellent for any one in the family way. Before the first bottle was taken I could walk alone and as I kept on with it I got stronger, until I was able to do all I got stronger. My baby is a big, fat, healthy fellow."—Mrs. MURRAY J. BARTON, R.R. No. 1, Cumberland Bay, New Brunswick.
