the pain is gone!

most worthy cause, counts for anything,
the health centre tag-day on August 15
will be a great success.

A meeting was held yesterday after-
noon in the board of health rooms and
the organization work got well under
way. E. L. Rising presided; Miss
Meiklejohn acted as secretary, and rep-
resentatives of the various societies en-
gaged in health and kindred work were
present.

Hon. Dr. Roberts announced that the
Victorian Order and the Society for the
Prevention of Tuberculosis had heartily
agreed to have the health centre tag-day
on August 15, and would lend every
assistance. As an illustration of what
he hopes to see eventually in all parts
of the province, and of what a public
health programme means, Dr. Roberts

said that Dr. L. de V. Chipman had gone
last week to Riley Brook, picking up,
en route at Grand Falls, Dr. and Miss
Gaunce, a graduate nurse of the Massa-
chusetts General Hospital; and on ar-
rival found forty-nine children waiting
to be treated for adenoids and enlarged
or diseased tonsils. These children had
been gathered together by the Red Cross
and were all successfully treated within
a comparatively few hours. Dr. Roberts

pointed out that it was owing to the
work of the Red Cross that the health
department was able to do this work,
and he paid a very warm tribute to that
organization. Dr. Chipman, on his way
home, visited Chipman, where nineteen
children were ready for treatment, and
he was here assisted by Dr. Lawson.

Dr. Roberts also said that the depart-
ment had sent Dr. Maloney to Riley
Brook, also under the auspices of the
Red Cross, to attend to the dental needs
of children, of whom she had treated
100. She is now in Buctouche, where
she is also doing a lot of work, and
will go up the north shore to Campbell-

ton. She has asked for an assistant and
one will be sent.

Of Great Benefit.
Dr. Roberts pointed out that the
health centre in St. John will be of uni-
versal benefit, especially in the treatment
of children, and that those working for
the success of the tag-day could not de-
vote themselves to a more worthy cause.

He dwelt on the importance of a thor-
ough organization, which he was sure
the women representing all the organiza-
tions would perfect.

Mrs. R. J. Hooper, Mrs. E. A. Young,
Miss Estey and Miss Meiklejohn were
appointed a headquarters committee to
be located in the board of health rooms,
where yesterday's meeting was held.

They will select the ward convenors for
tag-day and head up the general organ-
ization. Several of the women present
volunteered to be convenors of wards,
and Mrs. Young undertook to look after
West St. John and the ferry. A complete
organization will be effected in a
few days, as the central committee will
be constantly busy. Miss Estey was ap-
pointed to have charge of the banks, and
said those used by the women's council
would be available.

As so many people who will be eager
to help are living in suburban areas, it
was decided to have tag-day visitors go
to every place between South Bay and
Sagwa, beyond Westfield, along the C.
P. R., and from the city to Hampton
on the C. N. R., also taking in Kingston,
Millidgeville will also be visited, as well
as Fairville, East St. John, Little River
and Red Head and St. Martins will
doubtless be asked to participate.

Dr. McCarthy announced that St.
Peter's baseball team would be glad to
put on a baseball game, the total pro-
ceeds to go to the cause, with repre-
sentatives of the health centre to look
after taking the money. Dr. McCarthy
suggested that for so good a cause ar-
rangements ought to be made to sell as
many tickets as possible in advance. He
and Dr. Roberts were appointed a com-
mittee on the ball game, and were ap-
pointed to the office of St. Peter's was
expressed.

It was further suggested that perhaps
the summer people at the various sub-
urban places might feel like putting on
an entertainment of some kind on the
evening of tag-day to help swell the
funds. A. M. Belding and Dr. Roberts
were appointed a publicity committee
with power to act.
