UNVEIL TABLET TO MEMORY OF LIEUT. JOHNSTON

Impressive Service at St. Luke's Yesterday — A Record of Noble Sacrifice.

At the service in St. Luke's church yesterday morning a tablet erected by members of his family to commemorate the memory of Lieutenant Robin Louis Johnston, B. Sc., son of Mr. and Mrs. J. Cardy Johnston, was unveiled by his brother, Roland Johnston. The prayer of dedication was offered by Rev. R. P. McKim, rector, who also preached the sermon from the text "Steadfastly set His face to go to Jerusalem."

Lieutenant Johnston graduated with honors from McGill university in the subject of science and was awarded a scholarship. He received an appointment and at the outbreak of the war came to St. John and enlisted with the artillery. He was in the firing line in France with the artillery, but seeing brighter prospects in the Royal Air Force he was transferred to that branch of the service and while flying over the German lines was attacked by seven enemy planes and shot to the ground. Rev. Mr. McKim referred to his own personal regard for Lieutenant Johnston. The inscription on the tablet was very appropriate, referring to his noble sacrifice as crowning a lifetime of studious and conscientious devotion to the service of his God, his country, and his fellowmen.

FRENCH MEDICAL MEN OPPOSE BACHELOR TAX

Paris, May 10.—Opposition is developing among the French medical men to the proposed tax on bachelors. Professor Haymen of the French Academy of Medicine said: "From a financial standpoint the tax may be a good thing, but many persons afflicted with tuberculosis, epilepsy and other diseases may enter the marriage state to avoid this tax. In this event these dreadful diseases would spread. If France imposes a tax on celibates we shall find thousands of persons entering into the marriage contract with no thought of its sacredness. We shall have divorces and remarriages without number. The newspapers will be filled with cases of infidelity."

Machine for Blind to Read

Glasgow, Scot., May 10.—Great interest is being taken in an invention perfected by Professor Barr by means of which the blind are enabled to read ordinary print. The machine is known as an "optophone" and the principle underlying it is the conversion of light and shade into musical notes. The letter "a" for instance would throw a shadow different from other letters and thus is made to produce a different tone. Two blind girls were able to read twenty-five words a minute by means of the machine, and any book or paper can be used.

Chicago, May 10.—A. H. Ecrement, said by the police to be wanted in New York in connection with the negotiating of some of the \$5,000,000 securities alleged to have been stolen by "Nicky" Arnstein and "Nick" Cohen, was under arrest here yesterday. Ecrement, who had been living here under the name of C. E. Arthur, also was said to be wanted in Montreal and Buffalo in connection with an alleged \$125,000 wire tapping swindle.

William Carter of the Canadian federal police was in Chicago yesterday conferring with the states attorney's office. He said he would return to Canada to learn if the Canadian authorities desired to ask extradition papers for Ecrement. The man admitted his name was Ecrement, the police said, and that he was a friend of Philip Kastel, another man said to be wanted in the Arnstein case. Ecrement denied that he knew Arnstein, but was said to have identified a picture of Cohen as that of a man he met not long ago in Chicago.

P. in the Canadian federal parliament, was arrested here in January, 1919, on a charge of conspiracy to rob the charge being laid by Michael Connolly, in connection with alleged racing frauds at pool rooms in Buffalo and other places. Much evidence was gathered and a writ of prohibition was issued which stopped the case on the ground that the alleged conspiracy was charged to have occurred in a foreign country and accordingly could not be tried in Canada. The superior court quashed this writ. Appeal was taken by Ecrement and last week the court of appeal maintained the judgment of the superior court. Ecrement is under bail of \$10,000.
