"Health and Vigor depend upon the quality  
 and quantity of the Blood."—HUMANITARIAN.  
 The Liver is the great excreting organ of  
 the body, and when it fails to perform its  
 office, the blood becomes impure, and the  
 symptoms such as dull, heavy, languid  
 feeling, disposition to slumber, pain in  
 back or shoulders, poor stomach, constipa-  
 tion, dryness of the skin, redness at  
 night, etc.  
 If these symptoms are not dealt with  
 immediately, they become aggravated so  
 as to induce severe illness. To relieve at  
 once and cure permanently

**THE TRADES COUNCIL**  
**Large Meeting and Much Business**  
**Labor Gazette Incident Explained.**  
 The regular meeting of the Toronto  
 Trades and Labor Council on Thurs-  
 day, April 10th, was graced for the  
 first time with delegates from the  
 Laundry Workers, three of whom  
 were ladies. This is one of the largest  
 organizations, they being entitled to  
 six delegates.  
 Delegates R. Glocking, Chas.  
 March and W. R. Ward were appointed  
 a credential committee.  
 The minutes of the previous meet-  
 ing were read and confirmed.  
 The Credential Committee presented  
 their report seating the following  
 delegates:  
 Varnishers and Polishers Union—  
 Walter Shackleton in place of R. J.  
 Whitten.  
 Stove-mounters and Steel Range  
 Workers—A. Reid, J. Hayden, T.  
 Harrington.  
 Amalgamated Sheet Metal Workers  
 —J. H. Kennedy, W. Jose, J. S.  
 Chapman.  
 Carriage and Wagon Workers Union  
 —R. J. Hungerford, R. T. Anderson,  
 A. S. Gillett.  
 Guilders Protection Union—H.  
 Turnball, Geo. Trimble, A. Tressider.  
 Shirt Waist and Laundry Workers—  
 John W. Shier, Mr. Wilkinson, Mr. J.  
 A. Young, Miss K. Peck, Miss Mc-  
 Lean, Miss K. Smith.  
 Retail Clerks—A. Almas, G. Turner,  
 O. W. Crowley.  
 Delegate Acheson on behalf of the  
 Metal Polishers reported that the  
 fight has only begun with the firm of  
 the Gurney Foundry Company. This  
 was supplemented by the Stove-  
 mounters and the Iron Moulders Union.  
 Delegate Stewart stated that the  
 Moffat Stove Co. use the Moulders  
 label on their stoves.  
 Delegate Todd on behalf of the Ci-  
 garmakers stated that the Montreal  
 strike was still on. Leave the Stone-  
 wall Jackson cigar alone and don't  
 forget the blue label of the cigarmak-  
 ers and the tobacco workers, is what  
 he said.  
 Delegate March—The painters are  
 going to win the 30 cents an hour  
 and an eight-hour day.  
 Delegate Thain on behalf of the  
 Bakers—Get it on your bread at all  
 times.  
 Marine Engineers organized the fire-  
 men and want something done with  
 the Niagara Navigation Co., as they  
 are not employing union labor. The  
 Oakville line is also unfair. The To-  
 ronto Ferry Co. is union throughout  
 with engineers and firemen.  
 Delegate Gavigan on the Coal Drivers'  
 label—If every union man's coal was  
 delivered by union drivers there  
 would have to be several more carts  
 with labels on.  
 Laundry Workers through their elo-  
 quent lady delegate hoped that all  
 union men would patronize their label  
 which would be in use in the city in  
 a very short time.  
 Delegate Case of the Boot and Shoe  
 Workers—Get the label on all boots  
 and shoes.  
 The following correspondence was  
 read by the secretary:  
 From Twin City Trades Council—  
 On the question of education, advan-  
 cing a system of industrial educa-  
 tion, and also the printing of school  
 books, etc., by the Government. The  
 letter provoked considerable discus-  
 sion and was eventually referred back  
 to the body that sent it, with in-  
 structions to the secretary to state  
 that this Council cannot endorse it  
 on account of the principle of manual  
 training being indorsed therein.  
 From St. Thomas Trades Council,  
 asking for funds. Referred to the Ex-  
 ecutive Committee.  
 Thanks from Unitarian Club for  
 sending representatives.  
 Corona Drug Mfg. Co., to the ef-  
 fect that they had advised the Los  
 Angeles Times that they were in the  
 wrong in antagonizing organized la-  
 bor.  
 From California Fig Syrup Com-  
 pany to the same effect.  
 From World's Dispensary Medical  
 Co., on the same question.  
 From the Department of Labor re  
 the Gurney Foundry misstatement in  
 the Labor Gazette, explaining the  
 cause of the error. It being a trans-  
 position of the last clause from the  
 proper paragraph of the Cigarmakers  
 strike in London to that of the wrong  
 paragraph of the Gurney Foundry  
 Co.'s strike. The explanation of the  
 matter was accepted by the Council  
 as satisfactory.  
 The reports of the Standing Com-  
 mittees were then read by the secre-  
 taries of the committees and adopted  
 as read. They will be found under  
 separate headings.  
 The Council adjourned at 11 o'clock.

admit that it is not any real antagonism  
 between the dealers to handling la-  
 belled goods which is responsible for  
 the abundance of unfair goods sold,  
 but it is our own miserable selfishness  
 which overlooks that command  
 "do unto others as you would have  
 others do unto you."  
 Has it ever occurred to you that  
 it is the consumer who is the direct  
 employer of labor in producing any  
 article? That it is you who are re-  
 sponsible for some sweat shop cloth-  
 ing being sold in this city. That it  
 is you who are responsible for some  
 prison-made brooms being handled by  
 your dealers? That it is you who are  
 responsible for your shoe dealer hav-  
 ing sold a few extra pairs of non-  
 union shoes? That it is you who are  
 responsible for the tobaccoist hav-  
 ing sold a few pounds extra of non-  
 union tobacco, or an extra box of  
 non-union cigars? That it is really  
 you who are helping to maintain a  
 notorious non-union bakery by your  
 patronage? Why do you not declare  
 yourself as once as being opposed to  
 all union tailors, broom-makers, shoe  
 workers, tobacco workers, cigar mak-  
 ers, bakers or any other union work-  
 men, but your own little union and  
 your extremely little self? And yet  
 that is precisely what you are doing  
 when you neglect to buy label goods.  
 Can there be any more suicidal ac-  
 tion than that of some members of  
 organized labor deliberately betraying  
 their brothers in another trade by  
 purchasing the sweat shop article in  
 preference to that made by their  
 union brothers? And yet your com-  
 mittee have good reason to complain  
 of this scabby unionism being prac-  
 tised to a much larger extent than  
 is generally believed. While visiting a  
 dealer recently with the object of  
 getting him to influence a shirt man-  
 ufacturer to use the union label, we  
 got a warmer reception than usual,  
 in fact, a little warmer than we de-  
 sired.  
 This dealer had on several occa-  
 sions fitted out unions with uniforms  
 for Labor Day, and he complained in  
 bitter terms of the treatment he re-  
 ceived at the hands of the men after  
 Labor Day. Your committee are in-  
 clined to believe that for the most  
 part these complaints were justified,  
 and we hold that these labor bodies  
 are directly responsible for our non-  
 success in getting the co-operation of  
 this dealer for label collars and  
 shirts. It is a known fact that the  
 above dealer has for years been han-  
 dling a line of union label overalls  
 and smocks, which are purchased by  
 the railroad organizations, whom he  
 says always support him.  
 Your committee believe that if they  
 could secure the co-operation of a half  
 dozen earnest workers in every un-  
 ion, who will advocate this most ne-  
 cessary reform (that is compelling ev-  
 ery member to act as a union man  
 should by purchasing union goods and  
 if necessary to place a fine on any  
 member who buys scab goods, as such  
 members are dragging the honor of  
 your body in the mud by such meth-  
 ods), that in a very short time the  
 power of organized labor in this city  
 would have to be respected and the  
 sweater and employer of convict la-  
 bor would then employ honest labor  
 or go out of business.  
 In regard to Whitmore Bros. &  
 Co., manufacturers of Shoe Blacking,  
 of Cambridgeport, Mass., having  
 their bottles made in a notorious  
 non-union glass works, which matter  
 was referred to your committee.

confer with representatives of the  
 Glass Bottle Blowers Association of  
 this city, we wish to state that the  
 Glass Bottle Blowers Association in  
 this city declare that while the  
 "Whittmore Co." have withdrawn  
 their order from the non-union firm  
 of Geo. Jonas Glass Co., of Minotola,  
 N. J., pressure being brought to  
 bear by organized labor, it is still a  
 fact that the Whittmore Co. are  
 having their bottles made at the  
 Jonas & More Works of Bridgeton,  
 N. J., which works are most unfair,  
 and their excuse in this particular is  
 that the contract cannot be termi-  
 nated till June. About three years ago  
 the Glass Bottle Blowers organized  
 1,400 men in Clayton, N. J., and the  
 Whittmore Co. then changed their  
 orders to the Geo. Jonas Co., of  
 Minotola, where the trouble is at  
 present.  
 Word has just been received that  
 the 280 men and boys employed by  
 the Geo. Jonas Co., of Minotola, and  
 the Jonas & More Co., of Bridgeton,  
 N. J., have been called out on strike  
 by the union.  
 In Minotola the union has erected a  
 large tent to shelter the strikers, as  
 the non-union firm owns every house  
 in the place and have thrown the men  
 out of their houses. The firm also  
 owns the stores, their employees be-  
 ing compelled to purchase their goods  
 at said stores. As a consequence they  
 cannot get any money in wages. The  
 committee request organized labor  
 in this city to refrain from purchas-  
 ing the Whittmore Bros. Blacking. In  
 the meantime your committee are  
 asking for an interview with Philip  
 Jacobi, of Wellington street east,  
 who is the Ontario agent for Whitt-  
 more's Blacking.  
 Labelled ready made clothing will  
 soon be on sale in this city. Your  
 committee are waiting on two retail  
 firms for that purpose and are receiv-  
 ing every encouragement. It will now  
 be up to organized labor to show  
 their sincerity by patronizing the  
 Garment Workers' label, instead of  
 the sweat shop article.  
 Thos. C. Vdden, Chairman; D. W.  
 Kennedy, Secretary.
