How It was Invented.

Old Mother Hubbard Went to the cupboard

To get her poor dog a bone;
But when she got there
The cupboard was bare,
and so the poor dog had none.

She was in a great stew To know what to do.

Fer of money she had not a cent;
So she sold her last suit,
To buy meat for the brute,
And up town in her nightgown she went

The ladies who saw it,
And the string to draw it,
Declared it the nicest thing out;
So new on the street,
Looking ever so neat,
in their gowns they go rushing about.
