WHITE SOX WIN THIRD GAME. CHICAGO, Oct. 11.-Today's game be tween the Chicago teams of the National and American Leagues was a battle royal between pitchers, and the American League team won, 3 to 0, Twenty-one batsmen struck out, for 12 of these the credit goes to Walsh. In addition he gave only one pass and allowed but two hits, both in the first inning. Thereafter the Nationals never According to the official count 13,750 enthusiasts, encouraged by slightly mer weather, were present when the game began.
Pfeister, the left handed pitcher, went into the box for the Nationals He pitched superbly until the sixth in-ning. It was here he went to pieces and the game was lost. Tannelfill, re-puted to be a weak batter, singled down the third base line. Somewhat disconcerted, Pfeister allowed Walsh to walk and a moment later hit Hahn in the face, breaking his nose. A doctor was called and O'Neill went to first for Hahn, and finished the game for him.

The bases were now full with nobody out. A pandemonium of cheers from American League sympathizers broke loose. Pfeister pulled himself together and there was a sigh of relief from National League supporters when Captain Jones fouled out to Uting. Isbell, one of the team's best batsmen ordinarily, struck out for the third time during the game. Rope, the substitute, came to bat. It was this light-haired young man, whose accidental presence by reason of Davis' illness in Tuesday's game, brought victory to the Americans.
Again the fate of the game depended
on him, and again he did not fail. Ho
waited for a ball that suited him and then swung with all his strength. The ball bounded like a jackrabbit down the third base line and under the benches in left field. Tannehill, Walsh and O'Neill crossed the plate amidst wild

tween Hammerson and Chalker. Hammerson was introduced to the audience as the "champion of England," and it was stated that if he succeeded in winwas stated that it is also to the race he would probably chal-lenge Merrit or Follis, who, however, are both very chary of meeting this speed expert. The race was full of exspeed expert. The race was full of excitement, Hammerson getting a fall in the fifth lap, but quickly recovered and won the race. The time for the mile given out by the judges was 2.50. Mr. Hammerson was backed heavily by a prominent business man who is apparently pullin' the skater's leg.

A very good race was that between
McCaw, the winner of the endurance
contest last week, and Wilson. The men both were in good form, and kept on even terms until the tenth lap, when McCaw fell. He was unable to make up the loss and Wilson won. Time for the mile 3.24.
