## Sporting News.

The F. M. A. sports held last evening in Queen's rink were a decided success, and lovers of speed saw thrilling finishes between the local flyer Logan and the Toronto crack, Fred Robson. The local man, wearing the colors of the Neptune Club, got the best of the visitor in three out of the four contests in which he entered. He won the 220, 440 and mile. Robson was undoubtedly superior in the half-mile. Robson is a cool-headed skater and has a fine long stroke. He negotiated the corners well in the Queen's, but says he is used to small rinks. He claims Logan won the mile on a foul using his hands to push him away on the last corner. Through several say they saw this done, the judges had been watching the race closely, and decided that Logan won fairly. For a time the Upper Canadian talked of a suit, but everything he could think of, but soon came round to a better feeling and took his defeat in a good manner. Tonight Robson was a chance to regain any lost honors. Without doubt Robson is one of the world's best skaters. Logan counts pretty well in the Queen's, but he is disgraced to Robson to be defeated by the local man in his own town. The officials were:

Referee, Chief of Police W. W. Clark. Judges—Ald. McGoldrick, John E. Wilson, S. P. Gerow. Starter—Arthur McHugh. Timers—Jas. H. Pullen, M. D. Sweetney, Dr. T. Fred Johnson. Clerk of the Course—P. B. Holeman. J. Corr, J. J. Morrissey, W. P. Higgins. Scores—J. J. McShane, D. J. Corr, W. V. Conlon, W. Bradley, H. Griott. Announcer—H. Irvine.

Relay race, 1 mile—Norumbega Club, St. Joseph's, Templeton, Moncton.

Time in the Queen's rink, Robson, Evans.

The final of the 220 was an exciting race and Logan won the heat, with Evie. Robson had taken the lead, with Evie entered were naturally of the first turn and made his lead good to finish. Then Robson gained and was within a few inches of him at the tape. The time, 1:54 seconds, would seem to mark a new world's record, but it is doubtful if the distance had been measured accurately, and the marks will not stand.

White who won the policemen's race, is now thinking of challenging one of the 440.

The 440 was another exciting contest. The quick little local man, Logan, again won in a big way.

Logan, again won in a big way. The Toronto boy had a bad start, but he made things lively and soon overhauled Evans. The race however, was too short for him to touch Logan, and the latter won in 4:24. This second win of the speedy local man was greeted with a roar of applause.

The snowshoe race provided lots of fun; most of the contestants had several spills before they could make the round.

In the temperance race Sullivan skated a good mile, beating out McGuire and McCullough.

The races in which Logan and Robson entered were naturally of the first interest, and the half-mile found them again as opponents. This time Robson had Logan well in hand. His long, easy swing was too much for Logan, and the visitor won out in 1:32, pretty fast time for Queen's Rink.

These two again appeared in the 440. Robson had taken the lead, and led at a smart clip, and they swung at full speed. Turning the corner on the home stretch Logan cut across too ahead, winning by a foot. Robson claimed he had been fouled and one of the judges said he saw Logan put his hand on Robson, but the majority did not think any foul had been committed, and awarded the race to Logan. He received a great ovation as he finished.

### BIG RACE TONIGHT.

The one mile race at Victoria Rink tonight between perhaps two of the greatest skaters in Canada, Jas. Price and Fred Robson of Toronto, is creating a lot of talk, and the many friends of the new champion, Price, are looking for another victory. Robson will after the race with Price, if ice conditions are favorable, endeavor to lower the rink one mile record of 2:52, made by Joe Donahoe a few years ago. The capacity of the rink will undoubtedly be tested again tonight, as local interest is at a high pitch over this race.

### RECEPTION IN ST. STEPHEN'S.

Last night the meeting of the St. Stephen's church Guild was of an exceedingly pleasant nature, taking the form of a congregational social and reception to Mrs. Wicher. Mrs. R. Thompson, vice-president of the Guild, and Mrs. Geo. MacLeod, president of the Ladies' Society, received with Mrs. Wicher. A pleasant feature of the evening was the presentation of a new piano to the ladies of the congregation. The school room was well filled, among the guests being the ministers of the different Presbyterian churches in the city. R. T. Leavitt presided, and the following excellent programme was carried out: Piano solo, Miss MacLeod; piano solo, Miss Collins; piano solo, Miss Florence Drake; vocal solo, Mr. Cairns; presentation of gown; vocal solo, Mrs. Nixon; God Save the King.

Light refreshments were served, after which short and appreciative addresses were made by Rev. Dr. Fyfe, Mr. C. E. Graham, Rev. Mr. Lang and Rev. Mr. Graham, to which Rev. Mr. Wicher replied in an appropriate and happy manner.

### YELLOW PEOPLE—BILIOUS.

Did you ever see a "yellow" person who enjoyed being "yellow"? If their liver and kidneys were doing their duty they would not be yellow and sallow. If they took Hutch Tablets, their kidneys and liver would do their full duty. If the complexion is "off color" it is because something is out of order. It may be the stomach.

A great share of women are annoyed by indigestion. Biliousness asserts itself in the most disagreeable manner, always at the most inopportune time. Men are more often troubled with indigestion than women. Keep your stomach sweet and clean, and kidney trouble would be an unheard of thing. Hutch is put up 10 for 10 cents. 200 for \$1.00.

### SH. HAS PRETTY FEET.

Mrs. T. Shaw Hall, whose husband is a native of St. John, but who now has large business interests in New York, has recently won a prize offered by a New York newspaper, for the most perfect foot.

The paper says: Mrs. T. Shaw Hall's foot has gained the highest percentage for perfectness, and is a perfect proportion. The prize was a solid gold slipper.
