SERIOUS CHARGE AGAINST **BOSTON POLITICIAN**

President of City Committee Accused of Accepting \$50.00 a Week

BOSTON, Mass., July 26—James Donovan, president of the Democratic city committee, was charged with being on the pay-rolls of the New England Sanitary Disposal Company at a salary of \$50 weekly and extensively interested in extending the contracts of the cofpany with the city by Alderman James M. Curjey, during a session of the Bost in Board of Aldermen, late today. The alderman claimed the salary had been paid for eight years out of the \$100,000 the company receives yearly from its rendering plant at Spectacle Island.

The charge created considerable con-sternation in the Board of Aldermen and was considered the outcome of strained relations between the two Democratic leaders of the party in Bos-FEMININE GARMENTS

adverse conditions with his aeroplane at Fort Myer this evening the occasion, by reason of the presence of President Taft and a brilliant assemblage of Washington official life and an immense crowd also of people—"ultimate consumers," as one witty congressman describe them—bore an air more social than aeronautic.

Everybody had expected Wright to—

Everybody had expected Wright to-day to make the first official test of his acroplane, the endurance test, or an acroplane, the endurance test, or an hour in air with one passenger. A stiff wind, blowing in puffs and at a velocity as high at times as twenty miles an hour, caused the postponement of the expected trial, and all that Wright attempted was a brief flight without a passenger, in order to show the president that the aeroplane really could fly and to avoid disappointment of the great crowd.
