the municipality-signed by the warden and secretary, in sums of five hundred dollars each, redeemable and payable in paid. forty years from the date of issue, with coupons attached for the payment of referring this bill back to the finance interest at three and one half per centum per annum.

That all coroners present their hills to the secretary at least ten days before them to the opinion given by Mr. Curthe meeting of council, for the purpose rey, which was against the act. The of having the secretary's report thereonly way to find out was to carry the on submitted to the committee on fincase to the privy council. The statisance and accounts. tics were useful now, but would be

That the lieutenant governor more so years hence. council be memorialized to amend the law relating to the assessing and collecting of rates and taxes for the purpose of facilitating the work of collect ing such rates and taxes, that this matter be referred to the committee on bills for the legislature with power to act

That the committee on bills for the legislature prepare a bill to amend Chapter 23 of Victoria, Acts of the General Assembly, relating to the collection of rates and taxes in the several parishes in the City and County of Saint sessors for a report. John, and have the same engrossed and forwarded to the legislature at its next session for enactment.

The first part of the report respecting bills was adopted.

receipts of his office. The total receipts were \$3,147.15, which left \$2.750 With respect to the additional \$5. 000 of bonds for the hospital repairs Coun. Christie explained that the council authorized the committee to stable, sent in a bill for \$14 for conissue these bonds. It was found that the committee had not authority to do this. The committee therefore adcharged therefrom. vised the issue of the same by the council. He moved the adoption of this section.

The county secretary, G. R. Vincent. stated that \$11,000 of the \$16,000 issue previously ordered for the same purpose had been sold at par. The other \$5,000 was as good as disposed of at that rate with the exception of one bond of \$500. The rate of interest was casion. 81-2 per cent.

The section was adopted. The next section dealing with the

coroner's bill was adopted. In reply to members Secretary Vin-

cent said the changes in the act rein the asylum. specting taxes were somewhat extensive. Provision would be made for the man was a pauper or not. the removal of some words. The change would relieve the county of a great expense in the way of advertising the bill and getting up a new bill The intention was largely to remove getting badly off again in consequence doubts and the act would be remodelltaxes. A large number of people were ed.

Coun. Kelly wanted that the whole council should know what these changes were. Coun. White agreed with this view.

It was not advisable to refer to a small committee the adjustment of such a serious matter. The county secretary in reply to

Coun. Macrae said the changes would not interfere with the principle of the

Coun. Christie said the desire was bution to the county funds. simply to get legislation which would facilitate the collection of taxes. were all right. The secretary pointed out that under the act taxes due must be advertised for a long time and almost a year is lost in making the collections. Valu-

ators were provided for, but the expense was great when they acted. It was proposed to get the act amended in this respect, so that the Council could act in the case of appeals. The section in this regard was adopted.

DR. A. W. CHASE'S OF The following section looking towards the alteration of the county act in respect to taxes, etc., was then adopted. The bill of J. B. Jones, the registrar of births, deaths and marriages, for A Street \$145.50, was then considered. Coun. Baxter moved for its payment. stating that Mr. Jones had to fight a rase brought up by physicians in St.
