An earnest closing prayer was offered by Rev. G. E. Day.

With this session the existence af the Nova Scotia Home Missionary Union ceases. Much has been accomplished, under the blessing of Heaven, by this Society. Since its formation, seven years ago, about 1400 converts have been baptized by its missionaries, a large number of weak churches have been cared for, and new interests have been started in many parts of Nova Scotia and Prince Edward Island. The meeting adjourned sine die, Rev. G. E. Day having offered fervent prayer for the future prosperity of our Home Missions.
