LOST GIRL IS RETURNED TO POLICE.

Five-Year-Old Child Stolen in a Montreal Picture House Is Brought Back And Questions Are Asked.

On Wednesday the five-year-old Talba Rubia was taken from her front seat in a St. Lawrence picture house in which her father was employed as operator waiting to finish his day's work. Later she was discovered by the little missing. Some children report that she had gone out with a man who they did not know.

Police were notified, and have been searching for the child. They learned the identity of the man, Lucie Dubois, who was seen to take her as a woman with a man in her arms.

Police were unable to locate her, but when she took the child to the police station, and turned it over to the man in charge saying she was the child on the street. A very paper in Montreal had accounts of the kidnapping child, and several of them had her picture, the man allowing her to go without question.

Lynch Not Divorced.

Oct. 1.—The Globe today following letter from Col. Lynch, recently elected of Parliament for West. My attention has been to a statement which appears in the Globe. I think the Globe, if I am mistaken in this, but you will nevertheless publish it for I am sure that the statement was made simply and vigorously. It was to the effect that I had been divorced from a woman who was formerly Miss Maud but I was never married to her, and I have never been divorced. I am in the habit of allowing me to say so in my speeches, as otherwise my silence would be misconstrued.

The Week in St. John

Mountains and seashore have lost their charm for the time being and society folk who are hastening home to open their town houses for the coming season are already temporarily installed. Although the week has been a rainy one, several interesting events have taken place. First in importance being the New Brunswick Kennel Club dog show, which has been a decided success. Mr. Thomas Moore, one of the most noted dog fanciers in the Dominion, has proved himself to be a most competent judge leaving no room for dissatisfaction among the owners of the various species of valuable animals. A large number of society people visited the kennels during the exhibit. On Tuesday evening the Hon. Mr. Pugsley was the guest of honor at a banquet given by the New Brunswick Liberals in Kett's assembly rooms. The function which was an elaborate one was well patronized by a large number of distinguished citizens. Eloquent and vigorous speeches were made by Hon. Messrs. Pugsley, Murphy and King. Mrs. James Jack, Paddock street, was hostess at a small tea on Wednesday in honor of her guest, Miss Vose. Among those asked to meet Miss Vose were: Mrs. Geo. Jones, Mrs. James Stratton, Miss Mabel Smith, Miss May Harrison, Mrs. Andrew Jack, Miss Ethel Smith, Miss Alice Walker, Mrs. Silas Alward, Mrs. King Hazen, Mrs. Roy Campbell, Mr. Jack Belyea and Mr. John Sayre returned from a hunting trip on Tuesday. They are being congratulated on having captured a large bear. Mrs. Gordon Miller, who has lately moved to Summerdale, P. E. I., is visiting her mother, Mrs. Blizard, Orange street. Miss Vivian Barnes and Miss Jean White left on Thursday for St. Ann de Bellevue, where they will enter the McDonald Institute. Mrs. Percy Robinson, of Toronto, entertained Mrs. Charles Holden, of St. John, at bridge last week. Archdeacon Raymond has returned from Ottawa. Miss Nathane Jewett has returned to Boston. Bishop Richardson, of Fredericton, was the guest of Archdeacon Raymond for a few days this week. Miss Grace Robertson and Miss Madge Robertson, of Rothesay, left on Thursday for a visit to Halifax. Mrs. James Miller, Mrs. West, Miss Nathalie Jewett, Miss Elizabeth Miller, Mr. Douglas Clinch, Mr. Kenneth Inches and Mr. Fenety have returned from an enjoyable hunting trip in the region of the Miramichi. Dr. and Mrs. Murray MacLaren returned on Thursday from a six weeks trip in the Canadian West, including all the important cities and the Seattle fair. Mr. and Mrs. H. Harrison have returned from their wedding tour.

CANADIAN WOMEN PRAISED BY ENGLISH

London, Oct. 1.—A chorus of praise of Canada and the Canadian was heard at the National Union of Women Workers' reception to the delegates who attended the International Council of Women at Toronto. Dr. Mary Murdoch said she was struck by the great camaraderie between men and women in Canada and wished it could be copied in England. It tended to break down the somewhat hostile feelings which sometimes existed between the sexes. Until that was done in England they would never make the progress they otherwise might.

Mrs. Edwin Grey said the twentieth century was Canada's. The Dominion possessed limitless opportunities and was in a feverish state of development. It had no use for ne'er-do-wells and misfits.

Miss E. C. Harvey remarked that she had been struck with the useful busy lives led by Canadian women, who often did all the work of the house as well as if they kept two or three servants, and yet found time for philanthropic work, self-culture and amusement.

Mrs. W. MacLachlin, who has been visiting friends in Fredericton, is expected home next week.

Miss Josephine Jette, who has been the guest of Mrs. deB. Carrette, leaves next week for her home in Savannah.

One of the most important musical events which will ever take place in St. John is the Schumann-Heink concert, which will be presented next Tuesday evening at the Opera House, under the patronage of Lieut. Governor and Mrs. Tweedie, Premier of New Brunswick and Mrs. Hazen, the mayor of St. John and Mrs. Bullock. Every effort should be made to give this world-renowned contralto an enthusiastic welcome, for it is a well-known fact that Madame Eleonore Schumann-Heink is one of the great singers of the age.

Mr. Harry Trueman, who has been visiting his mother, Mrs. A. I. Trueman, left on Wednesday for Brockville, Ont.

Professor D. J. Fraser, who has been the guest of Col. M. B. Edwards and Mrs. Edwards, Queen Square, has returned to Montreal.

Mrs. Morris Hazen has returned from St. Andrews after a several weeks' visit there.

Mrs. and Mr. E. A. Smith have returned from a trip on the continent. Judge Forbes has returned to the city after visiting friends in Antigonish.

Miss Muriel Hall was in the city on Saturday en route to New York where she will continue her study in nursing.

Mr. Clifford McAvity returned to New York on Thursday, where he is attending college.

Mr. and Mrs. Carleton Allen, of Fredericton, were the guests of Mrs. Geo. Wetmore for a few days this week.

Mrs. L. MacLaren and the Misses MacLaren, Charlotte street, have returned from St. Andrews, where they have been spending the summer.

Mrs. Charlie Coster left for Montreal on Thursday evening. Miss Kathleen Coster, who will attend school there, accompanied her mother.

Mrs. Stratton and Miss Phyllis Stratton entertained at bridge Friday evening. Prizes were won by Mrs. H. C. Schofield, Miss Barnaby, Mr. Walter Emerson and Mr. Alex. Fowler. Those present were Mr. and Mrs. Percy Thomson, Mr. and Mrs. H. B. Emerson, Mr. and Mrs. H. C. Schofield, Mr. and Mrs. W. H. Harrison, Mr. and Mrs. G. West Jones, Mrs. Busby, Mrs. Geo. McLean, The Misses Smith, Miss M. Robinson, Miss Lou McMillan, Miss Ethel McAvity, Miss J. Stone, Miss Barnaby, Miss Emerson, Miss Elsie McLean, Miss Barker, Mr. Alex. Fowler, Mr. S. Emerson, Mr. W. Emerson, Mr. H. MacKay, Mr. J. C. Belyea, Mr. Wm. Vassie, Mr. Heber Vroom, Mr. F. Keator, Mr. Ken. Inches and Mr. G. P. Worsley.

WHAT WOMEN ARE DOING THE WORLD WIDE OVER

Mrs. Richard Watson Gilder, president of the National League for the Civic Education of Women, has written a letter against woman suffrage which the anti-suffragists have published and are distributing as a tract. According to this letter Mrs. Gilder "cannot but think that there is something in the nature of women which made the founders of the Republic indifferent to their help in the Government of the Republic." "Besides," she says, "to make little men of women is so ugly, so intensely inartistic. Women's real rights are those that are the Lord's work, of being the life-giver, of keeping a happy corner where the weary can rest, of keeping men, who naturally relapse into barbarism when left too much alone, keyed to the more delicate harmonies of life."

A club of women in Paris has taken up arms against the long and sharp pointed hampins now in fashion. After an investigation it declares that more than a score of persons in Paris alone have lost their eyes through hampin accidents, and several more have been seriously wounded. M. Lepine, called the uncrowned king of Paris, has been prevailed on to give the assistance of the police to the movement and has offered a prize for an invention that will rob the hampin of its dangers. The prize is to be competed for at the Little Industries show, which takes place late this autumn.

Mrs. George Cornwallis West, formerly Lady Randolph Churchill, is to come over from England during the coming winter. It is said, for the purpose of assisting the national league for the Civic Education of Women in

its fight against giving women the ballot. A campaign of parlor meetings has been arranged and she is to speak at several of them. Mrs. O. Kiliani, a daughter of Bayard Taylor, is a member of the Executive Committee of the league and has just returned from England, where she saw a good deal of the English anti-suffragists. Mrs. Humphrey Ward gave a luncheon in her honor.

Mrs. James M. Hunt of Yonkers is said to have penetrated further north in the Hudson Bay region than any other American woman. She accompanied her husband on a recent hunting trip and was the first white woman who saw the Eskimos had seen. From the railroad terminus the party travelled more than two hundred miles by canoe, accompanied by guides, sleeping in their furs at night and killing big game for rations as they went. Mrs. Hunt killed a number of the animals whose skins they brought back.

Miss Ellen Day is said to be the oldest organist in London. She is 81 and has been before the public ever since she was 8, when she created so great a sensation by her skill on the piano that she was called to play for the assistance of the police to the movement and has offered a prize for an invention that will rob the hampin of its dangers. The prize is to be competed for at the Little Industries show, which takes place late this autumn.

use of both the rich and the poor. Mrs. McCormick has already given \$200,000 toward the preliminary work and will give the million if other wealthy residents of Lake Forest will make up an equal amount. The Daughters of the Confederacy of Tennessee have offered a prize for the best essay on the subject of peace. Miss Harriet May Mills, representing the National American Woman Suffrage Association, is said to have delivered the most noteworthy address heard at the conference of the League of American Municipalities recently held in Montreal. Mrs. Clarence Mackay and Mrs. Henry Miller of New York have arranged a suffrage lecture to be held at the lectures of the Equal Franchise League for the benefit of the College Equal Suffrage League. The money to be used in publishing the data on the working of woman suffrage in Colorado which were gathered by the college league in the past year. The lectures will be given on alternate Wednesdays in the Garden Theatre, New York, beginning Dec. 15. The speakers include Col. George Harvey, Everett Colby, Dr. Louis Anspacher, Mrs. Carrie Chapman Catt and Mrs. Harriet Stanton Blatch. Miss Jape Adams and Gov. Shafroth of Colorado are expected to be included in the latter part of the course.

Queen Alexandra of England is credited with having been the means of emancipating England and American children from many foolish and uncomfortable fashions. At the time of her marriage to the heir of the English throne children in fashionable families were rarely seen outside their nurseries, but when the young Duchess began to keep her children about her and to have her picture taken holding them in her arms the fashion changed and devoted motherhood became the hallmark of American and English smartness. She also had her son clothed in comfortable sailor suits and her two daughters, the present Queen of Norway and the Princess Victoria, were allowed to wear the loose woolen jerseys which are now so much worn by schoolgirls.

The only objection thus far offered to the candidate is that he does not ask for enough money. The Presbytery has made a rule not to appoint a pastor for the church in question at a salary less than \$800 a year, but Mr. Lott is willing to accept \$700. Mr. Lott has a daughter whom he wants to educate and he has figured

out that with the free tuition offered to children of ministers he can accomplish his desire on the \$700, but sum is therefore enough for him and he will not ask for any more.
