

More World's Records

"Ross" Rifle and "Ross" Ammunition clean up everything in sight in the match rifle competitions at Bisley.

In the Hopton Grand Aggregate which represents the total scores of the big Bisley Match Shoots, at ranges of 900, 1,000 and 1,100 yards the "Ross" Rifle and "Ross" Ammunition took the first six places. Top score, 792 out of 825.

In the King's-Norton Match at 1,200 yards, a World's Record was made with Ross Rifle and Ross Ammunition. Score: 73 out of 75.

This year's triumph at Bisley, confirming previous years' results, classes the "Ross" Match Rifle as the champion of all long-range rifles in the British Empire—and probably, therefore, in the world.

Sportsmen who seek an accurate and high power arm will be glad to know that the Ross 280 High Velocity Rifle has the same barrel and breech as the military match rifle which only differs from it in the sights and style of stock. Its low trajectory and reliability have made the Ross a favorite in India with big game hunters.

MASONIC LODGES HELD THE ANNUAL CHURCH PARADE

Large Number of Craftsmen Attended Service in Trinity Yesterday—Eloquent Sermon by Rev. R. A. Armstrong.

Favored with beautiful weather the Grand Lodge of Free and Accepted Masons of New Brunswick held their annual church parade yesterday afternoon. About three hundred strong the representatives of the different lodges of the city, with a number of visiting masons, who arrived at the occasion accompanied by two bands, marched to Trinity church where an appropriate service was conducted by the Rev. R. A. Armstrong, pastor of Trinity.

TWO GAMES TUESDAY AFTERNOON

The Marathons will start the week with a trip to Fredericton today when they will meet the league leaders in a game which should prove interesting.

On Tuesday the Fredericton team will be here for a double-header, the first game will start at 2 o'clock and as one admission will admit to all, there should be a great afternoon baseball for the fans. It was not decided last evening just what time the game should be played, but as the Greeks have four pitchers, and at least two of these, White and Foley, are not yet had a good chance to show their class, it is likely that they will be on the job for today's game. On Wednesday the Greeks will play in Woodstock and on Friday and Saturday the Hopton Reds will be here for games. The rain checks which were received by the Marathons on Saturday will be good for any of the games here this week including the double-header on Tuesday.

ST. JOHN BRANCH OF MASTERS AND MATES UNION IS PROPOSED

Movement on Foot to Extend Militant British Organization to This City—Higher Wages the Object.

A movement is on foot in St. John to form a branch of the Militant Masters and Mates Union which has been organized in Great Britain, and has extended its membership with astonishing rapidity. The rise of the new organization is another symptom of the increasing social unrest, consequent upon the war, and is being organized in the Maritime Provinces. Officers of the new organization in large numbers, and a branch has been formed at Montreal.

NOVA SCOTIA LEAGUE WILL HAVE BUSY WEEK

Special to The Standard. Fredericton, July 28.—The Fredericton club faces a busy week in the N. B. and Maine League with six games scheduled in five days.

Tomorrow the Marathons are to come here from St. John and Young will probably be the twirling for the locals. On Tuesday the same teams will play a double header at St. John with Brown and Harrington as pitchers for Fredericton. On Wednesday the Pets will be at Houlton, the Reds coming here for Thursday, while on Friday Fredericton plays at Woodstock.

TOO WET FOR GAME SATURDAY

Despite the fact that it was raining on Saturday afternoon, the game between the Marathons and Woodstock was postponed.

The game was postponed because of the rain. The Marathons were scheduled to play Woodstock on Saturday afternoon, but the rain was too heavy for the game to be played. The game will be rescheduled for a later date.
