with the 25th N. B. Dragoons escorting the carriages bearing His Royal Highness and party, the procession passed up Prince street, along Charlotte, down King, along Dock and Mill streets, and thence out Paradise Row to Mount Pleasant, through the Park past Lily Lake and then down over the hill to the playgrounds.

At many places along the route the route were decorated in honor of the visit of Royalty, and the groups of people gathered on the lawns to watch the procession pass extended loyal greetings in a quiet manner.

After chatting for a few moments with the Mayor and other officials, His Royal Highness and party, accompanied by the Mayor and other officials, left the city and drove off, accompanied by his staff and escort of dragoons.

On the platform with the Duke and the Mayor while the speeches were being delivered, were Lieut. Governor Wood, Commissioners M. E. Agar, H. R. McLean, A. B. Schofield, R. W. Wigmore, R. E. Emerson, chairman of the School Board, School Trustees Russell, Nash, Col. Day, Bullock, Mrs. Dever, and Mrs. Skinner; Miss Labaree, president of the Playgrounds Association; Walter C. Allison, vice-president of the Playgrounds Association; School Superintendent P. D. Tilley, M. P. C. B. Lockhart, H. P. Phillip Grattan, M. P. P., and others.

Following the ceremonies at the playgrounds His Royal Highness returned to the steamer Earl Grey, after which he again came ashore and was driven in an automobile to Courtenay Bay.

East St. John was in gala array in honor of the distinguished visitor, and the residents extended a right royal welcome to His Royal Highness. The school children had been rehearsed in preparation for the occasion and as the Governor General drove he was greeted by the children with songs and shouts.

His Royal Highness was first about the maps of the proposed work. He displayed considerable interest in the details of the work and asking several questions about the scheme. After inspecting the plans of the proposed work, His Royal Highness then signed his autograph in a book.

the Carleton Cornet band marched from the ship to the starting place. Headed by the City Cornet band the North East children marched over by way of Main and Mill streets. The school children of the city proper assembled near the High school with St. Mary's band in attendance.

After all had assembled, a procession was formed and started for the playgrounds. At the head were Chairman R. B. Emerson and members of the School Board, with Dr. Bridges, Inspector McEgan, and Secretary Leavitt, all in carriages.

The long procession of girls in white dresses with light ribbons in their hair, and of boys in their gladest tog, marshalled by the school teachers and with three bands playing, passed slowly to the site of the playgrounds and made a striking spectacle—one of the prettiest of the day.

After the opening ceremonies at the playgrounds the children formed in line and marched back to their respective districts.

Another important feature in connection with the Greater St. John Exhibition has been decided in the selection of the judges for the different exhibits and the names of those appointed include a number of experts in their respective departments, and the selection will no doubt meet with the hearty approval of all exhibitors.

The judge of the light horse class will be Dr. J. A. Sinclair, Cannington, Ont. Dr. Sinclair is the owner of the grand champion horse, Baron Primrose, shown at the Amherst horse show last year. The heavy horse judge will be Richard F. Starr of Fort William, and a prominent member of the Maritime Stock Breeders' Association, a director of the Halifax Exhibition Association and well known as a breeder of Clydesdale horses and Shorthorn cattle.

In the person of R. S. Stevenson, of Ancaster, Ont., who will judge the dairy cattle, an exhibition has secured a man who is held in high repute by the Canadian Ayrshire breeders. For a number of years Mr. Shove has officiated as judge at the Brockton and other fairs throughout the Eastern States. He is a specialist as regards Rhode Island Red poultry.

In addition to the appointment of judges a selection of the superintendents of the several departments has been made as follows: Poultry, W. B. Golding, Sussex; Dairy, L. D. Ayle, Ont.; Horticulture, H. J. Mitchell of the Dominion department of agriculture will judge the butter. E. F. Peters will superintend the agricultural department.

The modesty of the regular is displayed in the fact that when questioned by your correspondent last night, he simply replied: "Yes, I heard the boys, and when I got there they showed me where he sank, so I swam in and felt around till I found him, and then brought him to the top, that's all."

It was only upon cross-examination at the inquest that he told the whole story. Aside from the accident, things have been going on nicely and the field hospital people report that only one or two slight ailments have been brought to their notice.

Today was spent in company and battalion drill and the St. John boys are keeping up their reputation for order and discipline. As a result of the accident, however, quite a few of the boys have returned home.

Tomorrow afternoon the Prince Edward Island and Nova Scotia boys are to play the New Brunswick boys a baseball game.

Niles, Mich., Aug. 19.—Two persons were killed and damage amounting to a million dollars was caused by a cloudburst and storm that swept over Michigan early today. In Niles the water was five feet deep in the streets and seven bridges were washed out and the inter-urban car service was stopped.

Herman Villock, 70 years old, and Otto Feinberg, 90 years old, took refuge in a barn and were killed by lightning.

Lady's Hand Bag Found. A lady's hand bag was found on the street yesterday afternoon by the police and it awaits the owner at the central station.

NO ONE TO BLAME FOR ACCIDENT

Enquiry into Death of Elwood Martell at Aldershot Cadet Camp—Boy Disobeyed Orders.

FAILED TO ATTEND CHURCH PARADE. Then Went Swimming Contrary to Instructions—St. John Boys in Camp.

Special to The Standard. Kentville, Aug. 19.—A jury composed of officers and clergymen who are at Aldershot camp, met today before Coroner H. B. Webster, of Kentville, and returned the following verdict regarding the death of Cadet Martell, who was drowned yesterday.

"We, the jury, upon examining the body of Elwood Martell, who upon the 18th day of August, in the year of our Lord one thousand nine hundred and twelve, at the hour of 4 p. m., met his death by drowning, return the following verdict: accidental death by drowning, with no blame attached to the military authorities or to any one."

The examination of witnesses took up some time. The inquest was called for 10.30, and it was not until nearly half-past twelve that the coroner dismissed the case.

H. M. Chase, of Kentville, was present, and assisted W. B. Webster. The facts of the case seem to be briefly as follows: Young Martell with his companions had not attended the parade Sunday morning when all ranks should have been in attendance, and when the following orders were given by Capt. Morse, adjutant of the 3rd battalion: No boy is to swim anywhere except in the tank on the grounds, and then only when accompanied by an officer. The hours for swimming are from 2 to 3.30 p. m. and squads will be named each day to go to the tank.

Warm praise is due to the regulars whose prompt and fearless action not only saved the boy's life, and to Gunner Fitzgerald who without a moment's hesitation, dove into the muddy water, feeling about on the oyster bottom for the boy's body which had sunk in 15 feet of water. This action is especially commendable as the bottom of the lake was thick with snags and at any time might have been caught in the weeds and lost his own life.

Those on the first Farm Laborers' excursion on August 17th were quickly picked up by the Western farmers. Thousands more will leave on the second excursion, August 25th, and will get months of employment at high wages.

MEMBERS VOICES WON'T REBOUND IN COMMONS CHAMBER

Ceiling Now Padded to Improve Acoustic Properties — Fire Alarm System for the House.

Special to The Standard. Ottawa, Aug. 19.—Hereafter the House of Commons will have its own fire alarm. In all the years that are past there has been no fire alarm in the House of Commons.

There have been little extinguishers stationed here and there, and in intervals, and the members traversing the corridors have come upon lengths of sinuous rubber hose coiled in snake-like piles.

Electricity of the Public Works Department are now putting in an alarm, which will ring in the lobby when a fire is started. The alarm will be connected with a dozen different points throughout the building, being E. F. Peters, a green, the fire department. The alarm bell is not unlike the division bell in tone.

The installation of the alarm is not the only improvement. The old Commons Chamber has undergone a change. It is still the Green Chamber, but it is now light a green, the stentorian panels with the somewhat startling borders in black and gold having been removed, and the walls tinted instead. Moreover there has been some artistic padding done in the region of the ceiling, to improve the acoustics. Without this padding the utterances of members in times past have been known to rebound.

AGREE TO CLOSED SEASON OF FIVE YEARS FOR SEALS

Senate Adopts the Conference Report on Bill Giving effect to Treaty With Three Powers.

Washington, Aug. 19.—A closed season of five years for fur seals on the Bering Sea was agreed today by the senate and house conferees on the bill carrying into effect the fur seal treaty with Russia, Japan and Great Britain. The house provided for one year and the senate raised it to ten. The five years' period is connected with a compromise.

The conference report was presented to the senate by Senator Lodge and adopted without dissent.

IMPROVE YOUR SKIN WHILE YOU BATHE

Rare Benefits of POSLAM SOAP on Tender or Eruptive Skin.

If you use Poslam Soap for bathing and every toilet use, each ordinary cleansing operation will become a source of benefit. For, besides making the skin clean, Poslam Soap assures its health, soothes tender skin, improves its color and quality, makes clear complexion and protects against infection and possible disease.

So many are the advantages and so great the superiority of Poslam Soap that a trial will lead to its continued use, especially by those whose skin shows any tendency to eruptive troubles. It is the best shampoo for dandruff, ideal for infants' use. Unusually large and lasting cake. Price 25 cents. For sale by Chas. R. Watson, Clinton Brown, F. W. Munroe and all druggists.

For free sample of Poslam Soap, write to the Emergency Laboratories, 32 West 25th Street, New York City.

WILL BANQUET MR. BORDEN AS MARK OF APPRECIATION

Ottawa Liberal Conservative Association to Express Satisfaction with Manner in Which He Has Represented Canada.

Special to The Standard. Ottawa, Aug. 19.—The Liberal Conservative Association of Ottawa has arranged to tender a banquet to the Right Hon. R. Borden on his return from Great Britain. The date fixed is Sept. 10, and the dinner will be given at the Chateau Laurier Hotel. The Prime Minister will be the guest of honor and the other Cabinet Ministers will also be present as guests. Preparations are actively on foot to make the dinner, which will be a demonstration of loyalty to Mr. Borden and an expression of satisfaction at the manner in which he has represented Canada in the councils of the Empire, an occasion of unusual brilliance.

PARRISBORO BARN BURNED. PARRISBORO, Aug. 19.—A barn belonging to Aron Mills on the Amherst Road, outside the town lines, was burned this afternoon with its contents. The origin of the fire is unknown.

Farm Laborers. Those on the first Farm Laborers' excursion on August 17th were quickly picked up by the Western farmers. Thousands more will leave on the second excursion, August 25th, and will get months of employment at high wages.
