Adj. 3rd N. B. Heavy Bde.,  
C. G. A.

S. Bishop, which took place at an  
early hour Saturday morning at her  
home, 5 Brussels street, was heard  
with deep regret by a large circle  
of friends. She had been ill only a  
short time. Mrs. Bishop was former-  
ly Miss May Josephine Killorn, and  
leaves to mourn her husband, who is a  
member of the Custom House staff,  
and a child about one and one-half  
years old; her mother, Mrs. Jennie L.  
Killorn, and two brothers, J. Lee and  
Matthew G.

Thomas Gough.  
Rev. J. B. Gough, of Silver Falls, has  
received a telegram conveying the in-  
telligence of the death of his father,  
Thomas Gough. The late Mr. Gough  
was a man of gentlemanly bearing and  
for a long time was a resident of Sum-  
merside, P. E. I. For the last seven  
years he had resided in Revelstoke, B. C.,  
where he made his home with his  
daughter, Mrs. Harry Ferguson.

Capt. George E. Evans.  
The death of Captain George E.  
Evans occurred Saturday morning af-  
ter about a week's illness from influ-  
enza at his home, 83 Seelye street. He  
was a well-known marine and a  
friend in the more important ports  
along the Atlantic coast, who will join  
with a wide circle in St. John in regret  
at his passing away. For more than  
forty years he had been engaged as a  
captain in the coastwise trade, among  
the best known of his vessels being the  
Pardon B. Thompson, a three-masted  
schooner of which he was master and  
part owner, and which he commanded  
for many years.

About ten years ago he retired from  
the sea and had not been in the best of  
health since then. He was a native of  
St. John and was seventy-five years of  
age. Captain Evans' wife died about  
two years ago, and he is survived by  
four daughters and three sons. The  
daughters are Mrs. Louise Poirier, of  
Portland, Ore.; Mrs. W. H. Shaw, of  
Norwood, Mass.; and Miss Helen and  
Miss Hazel, at home. To add to the  
sadness of the bereavement, Miss  
Hazel is now ill with influenza. San-  
ford Evans, of Long Reach, N. B.;  
Alder, of Portland, Ore.; and Walter  
A., at home, all three returned veter-  
ans, are the sons of Captain Evans. He  
is survived by one sister, Mrs. Forest  
Williams, of Long Reach, N. B. The  
funeral will be conducted privately this  
afternoon at 2.30 o'clock.

dence of the officiating clergyman, the  
Rev. J. A. McKelgan, on Friday, Feb-  
ruary 20th. H. C. Radburn supported

## Knights of Pythias Attend St. David's

The Fifty-Sixth Anniversary  
Was Observed Yesterday  
Afternoon by Special Ser-  
vice—Sermon on "Friend-  
ship" by Rev. J. A. Mac-  
Keigan.

The fifty-sixth anniversary of the  
Knights of Pythias was observed yester-  
day afternoon in a most impres-  
sive manner by a special service in  
St. David's church. In addition to the  
members of the three local lodges,  
New Brunswick No. 1, Union No. 2  
and St. John No. 3, there was a large  
number of others among the congrega-  
tion.

The pastor of the church, Rev. J. A.  
MacKeigan, conducted the service and  
delivered a masterly sermon on  
"Friendship." Miss Wall sang very  
sweetly "One Sweetly Solemn  
Thought," the other hymns were sung  
by the Knights in a body in a most  
inspiring manner.

Taking as his text St. John 15-14,  
"Ye are My friends, if you do whatso-  
ever I have commanded you," Mr.  
MacKeigan, in his sermon, focused  
his attention on Friendship, the  
foundation of all charities. As a  
worshipping body he pointed them to  
the Master of Life who wished to con-  
fer upon all the supreme degree of  
"My Friends," offering this without  
distinction of race or tongue, of creed  
or color, the only condition being  
obedience to His commandments.

Brute friendship he described as a  
travesty, a far off glimmer of real  
friendship, the lowest round in the  
ladder by which mankind to friend-  
ship with God, while human friend-  
ship should be above all that is sordid  
or base, it is something that every  
soul craves and which is needed to  
develop life's best.

He then drew a lesson from the  
character in the Chinese script which  
represents the word friend by a pic-  
ture of two right hands clasped, so  
true friendship takes hold of our bet-  
ter side. Its motive is to share, but  
it needs to be kept in good repair  
lest it suffer an eclipse.

The speaker urged the Knights to  
accept the supreme degree of divine  
friendship from which the brutish is  
banished, the human glorified. He  
said that fraternal friendship should  
be upon all the supreme degree of  
friendliness, the privileges they have  
learned, and from which the members  
should go out into the world to reveal  
the truths learned therein, and to prove  
by their lives of friendliness, the  
privileges they had enjoyed there.

The common place door of service  
was that through which one must pass  
to divine friendship. It is not suffi-  
cient that we take off our hats to an  
ideal, we must also take off our coats  
if we are to realize it.

In closing the reverend speaker em-  
phasized all that is expected of those  
who engage in the great war for the  
kingdom of God, that they might en-  
joy with Him the coming of His King-  
dom.

Owing to illness the Rev. David  
Hutchinson, D. D., who was to have  
assisted at the service, was unable to  
attend.

UNKNOWN SCHOONER  
WAS NOT SIGHTED  
Gov't Stmr. Aberdeen Reported  
Being Unable to Locate  
Schooner That Was Re-  
ported in Distress off Parrs-  
boro on Saturday.

A marconigram was received yester-  
day by J. C. Chesley, marine and  
fisheries agent, stating that the gov-  
ernment steamer Aberdeen had reach-  
ed Cape Sharp, but did not sight the  
unknown schooner, before reported in  
distress off Parrsboro. The message  
says that there is an immense stretch  
of ice and that it is very thick, and  
the Aberdeen could not enter any port  
but Digby, N. S., for which place she  
was then making for.

## Customs Officer Indorses Tanlac

Says His Wife and Mother-in-  
Law Were Wonderfully  
Benefitted—"Should be in  
Every Home" He Declares.

G. W. McKay, a Customs Officer at  
Beaver Harbor, Charlotte County, New  
Brunswick, called at the Ross Drug  
Store in St. John the other day for a  
bottle of Tanlac and on being asked  
if he could recommend the medicine,  
said:

"Yes, indeed, it's a pleasure for me  
to endorse Tanlac, for both my moth-  
er-in-law and my wife have taken it  
and after seeing it used with such  
splendid results in my own family I  
could not do otherwise than recom-  
mend it."

"My mother-in-law was about as  
badly run-down as people get to be.  
She had no appetite at all and her  
stomach was in such a bad condition  
that she could not eat anything but  
what disagreed with her causing her  
great distress. She had become very  
nervous and restless, and couldn't  
sleep at all well, and hardly had  
strength to get around."

"Then we got to reading about Tan-  
lac and were so impressed with what  
others said it had done for them that  
my mother-in-law concluded to try it.  
So I asked one of the captains on his  
next trip to bring up a bottle and it  
couldn't have done her any more  
good if it had been made  
just especially for her case. It  
soon corrected her stomach trouble so  
she could eat hearty and digest her  
food without distress or pain. Now  
her appetite is just splendid and she  
is eating just anything she wants, and  
judging from the way she looks her  
weight must have increased at least  
ten pounds. She can now sleep well,  
looks many years younger, and is al-  
ways praising Tanlac. Whenever she  
hears anyone complaining of feeling  
sick or bad she urges them to try Tan-  
lac. My wife took it after being poorly  
for some time, and it also did her a  
world of good. So I am glad to re-  
commend Tanlac as an extra fine medi-  
cine and one that I think should be in  
every home."

There are thousands of people who  
complain of being nervous and run-  
down. They are not sick exactly, but  
feel tired and good-for-nothing most of  
the time. They need something to  
build them up and throw off the symp-  
toms of this weakened, debilitated con-  
dition.

The system, besides being purified  
by Tanlac, is toned up and invigorated  
by the medicine, assisting the consti-  
tution, reinvigorates the constitu-  
tion, overcoming as it seems to quick-  
ly do, nervousness, indigestion, non-as-  
silation of the food, headaches, back-  
ache, kidney complaint, general debility,  
and many other ailments that are  
so common to the thousands of half-  
sick, depressed men and women.

Tanlac is sold in St. John by Ross  
Drug Company and the leading medi-  
cine and one that I think should be in  
every town, under the personal  
direction of a special Tanlac repre-  
sentative.—Adv.

## Local Company To Play In Halifax

Loyalist Chapter 1920 Revue  
Will Stage Production in  
Sister City March 1-2—Ma-  
jestic Stock Company Com-  
ing from Halifax in Ex-  
change.

Those who took part in the 1920  
Revue held recently in the Imperial  
Theatre under the auspices of Loyalist  
Chapter, I. O. O. E., held a meeting  
Saturday evening and decided to make  
a trip to Halifax and give the Halifax  
theatre patrons an opportunity of wit-  
nessing this grand production on the  
nights of March 1 and 2. It was also  
decided that the Imperial Concert  
Orchestra accompany the players on  
the trip. The 1920 Revue will have a  
party of fifty performers, and with  
about fifteen musicians will, it is ex-  
pected, leave St. John next Saturday.  
They will have all day Sunday to take  
in the sights in sister city, and the  
outing should prove a most enjoyable  
one.

Halifax has always been noted for  
putting on some wonderful amateur  
productions, and the theatregoers of  
that city will certainly be pleased  
with the Revue, as it is without a  
doubt one of the finest efforts of local  
talent that have been staged in this  
city. During the two days that the  
Revue is in Halifax the Majestic Stock  
Company, which is playing with much  
success in that city, will perform in  
the Imperial. This exchange of plays  
between the two cities is a move in the  
right direction and it is hoped will be  
continued.
