Don't Stay Deaf Any Longer—Follow the Procession—Use Catarrhozone

Nine cases in ten of hard hearing are curable.

By curable we don't mean relievable—we mean that the sense of hearing can be permanently brought back.

Catarrh usually causes the deafness.

Cure the catarrhal condition and you remove the cause of your poor hearing.

If you were sure you had catarrhal dearness you would use a real cure at once—of course you would.

There is a cure for you—one that is
