AN OLD bachelor asserts that the best and quictest way to revive a lady when she faints is to begin to take down her hair, if it ain't her own she will grab it in a jiffy. A better way to stop fainting and to produce hair of her own is to use Minard's Liniment,

There is not much to be said of these little ones, so pure in life and plucked so early from the lower, and transferred to the higher garden of the Lord. "He comes into His garden to gather lilies."

Jesus said, "Suffer little children to come unto Me, and forbid them not, for of such is the Kingdom of Heaven." "It is well." The tear of affection may unbidden come; but, while the eye is thus dimmed, hope looks beyond—faith pierces the gloom, and sees death relaxing his grasp and yielding to the Prince of Life, who "hath abolished death and brought life and immortality to light." Your little ones are not lost. They are now under more tender ware than this present world affords.

O. B. Emery.

Deer Island, May 26, 1884.

MINARD.-On June 7, 1884, Levi Minard, M. D.,

Minard.—On June 7, 1884, Levi Minard, M. D., aged 67 years.

Our departed brother in the Lord had but a short struggle. Apparently death had lost its sting, and it may be said as was testified of one in the past ages, "He sleepeth." Yes; and that he is waiting for the coming deliverer to remove his dusty covering at the resurrection of the just who have this testimony, "Blessed are the dead who die in the Lord; yea, saith the Spirit, that they rest from their labors, and their works do follow them." He who said, "I am the Resurrection and the Life," also said, "Behold, I come quickly, and my reward is with Me," and our brother could say, "Even so, come Lord Jesus." As a member of the congregation of the Lord Jesus, he was truly a "help," both in word and deed. And while we shed the sympathizing tear we also rejoice in the word of Jesus, "I will raise him up at the last day." For the first fruits of the harvest has been waved before the Lord as a guarantee that the whole harvest shall be gathered. Well may the apostolic admonition be duly considered by us who are also waiting in life, "Brethren, be patient, for the coming of the Lord draweth nigh."

Dear as thou wast, and justly dear, We would not weep for thee;

Dear as thou wast, and justly dear,
We would not weep for thee;
One thought shall check the starting tear—
It is that thou art free.

Etherington's Adjustable Spring Bed.

The Spring Bed consists entirely of

STEEL SPIRAL SPRINGS,

which lock on the slats of a common bedstead; making a most DESIRABLE BED WITH BUT A SINGLE. MATTRESS, thus a saving in the price of bedding. They are the best laying, the most easy, most comfortable, most elastic, the cleanest and the easiest cleaned, the best ventilated (therefore the most healthy), the most durable, the cheapest and the easiest repaired. Most adjustable, as it fits all bedsteads without regard to width or length, and is perfectly noiseless. It can be packed in a trunk 16 inches square, so the most portable; no hiding place for vermin, no sagging to the centre, no slats to become bent and remaining so, but can be adjusted to the unequal weights of the occupants, permitting them to lie on the same level. On all points of merit we solicit comparison with any other Bed in the market.
