## NAMES AND CASH

are what we want, one is as important as the other. This is the greatest offer we have ever made. The books are handsomely bound in paper and you cannot get them from any book store for less than 25 or 30 cents each. We make the offer in order to get the names of people who would probably like to take Progress. We place faith in your judgment and rely upon you to choose the names with care, avoiding all those who get the paper now. We are also anxious to test the value of an advertisement in this journal.

EDWARD S. CARTER, Publisher.

N. B. If you want the book sent by mail send 14 cents in stamps or make your post office order \$1.95. By the way, we still have that great bargain, Allen's reprint of Webster's Dictionary, for \$1.95, or rather with Progress for one year for \$3.95,—the paper must go with the book.

## PROVINCIAL INSTITUTE.

The meeting of the New Brunswick Educational Institute, a summary of the proceedings of which will be found on another page, was one of the most successful that has ever been held in the province. The papers and addresses were of more than ordinary excellence, the discussions were marked with earnestness and ability, and there was a promptness of action observable throughout. The courtesy and tact with which Chief Superintendent Inch conducted the Institute has deepened the esteem in which he is held by the teachers of the province.
