

Roads, should be placed under the management of the Municipal authorities, and withdrawn from that of the said Trustees or of the Trustees or Manager to be appointed under this Act, as the case may be ; Therefore, it shall be lawful for the Governor in Council by one or more Orders to be made from time to time, to direct that of the several Roads on the North Shore commonly known by the names mentioned in the first column of the Schedule to this Act, so much in length as is mentioned in the second column of the said Schedule, or any less portion thereof, shall cease to be under the control or management of the said Trustees or Manager, and shall be under the control and management of the Municipal authorities of the several Municipalities in which they respectively lie, in like manner as other Roads therein ; and so much of the said Roads respectively as shall not be mentioned in any such Order in Council shall continue to be under the control and management of the said Trustees, or of the Manager to be substituted for them : and where part only of any such Road is mentioned in the said second column, such part shall be understood to be that part thereof lying furthest from the City of Quebec, measuring on the line of such Road : and any unexpended moneys raised for making or improving any Road of which any part or the whole is mentioned in the said second column and which shall be transferred by any such Order as aforesaid, shall be applied by the Trustees or Manager to make or improve that part thereof remaining under their or his control, or, if there be no such part remaining, or they or he be not required to make or improve it, then to make or improve the other Roads and Works under their or his control or management generally ; And it shall further be lawful for the Governor in Council, from time to time, to direct that any part of the said Roads in any column of the said Schedule, though remaining under the control of the said Trustees or Manager as regards wheeled vehicles, shall not be kept up by them as winter Roads for vehicles without wheels, but shall for such last mentioned vehicles and as winter Roads, be kept up under the General Road Laws in force in that part of the Province in which they lie.

V. It shall be lawful for the Governor in Council, from time to time by Order published in the *Canada Gazette*, to withdraw any of the Roads on the South Shore of the River St. Lawrence, or any portion or portions of any of them, from the control and management of the said Trustees or Manager, and to place them under the control and management of the several Municipalities in which they lie, from and after a day to be named in the Order ; or to direct that any of them be not kept up by the Trustees or Manager, as winter Roads or for winter vehicles, but under the Road Laws of that part of this Province in which they lie ; and to make in such Order or Orders, such provisions as he may think proper, relative to the said Roads or the moneys raised for making and improving them, in any
